[Docket No. ER15-2211-000]

MidAmerican Energy Services, LLC; Supplemental Notice That Initial Market-Based Rate Filing Includes Request for Blanket Section 204 Authorization

This is a supplemental notice in the above-referenced proceeding of MidAmerican Energy Services, LLC's application for market-based rate authority, with an accompanying rate tariff, noting that such application includes a request for blanket authorization, under 18 CFR part 34, of future issuances of securities and assumptions of liability.

Any person desiring to intervene or to protest should file with the Federal Energy Regulatory Commission, 888 First Street NE., Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). Anyone filing a motion to intervene or protest must serve a copy of that document on the Applicant.

Notice is hereby given that the deadline for filing protests with regard

to the applicant's request for blanket authorization, under 18 CFR part 34, of future issuances of securities and assumptions of liability, is September 8, 2015.

The Commission encourages electronic submission of protests and interventions in lieu of paper, using the FERC Online links at <http://www.ferc.gov>. To facilitate electronic service, persons with Internet access who will eFile a document and/or be listed as a contact for an intervenor must create and validate an eRegistration account using the eRegistration link. Select the eFiling link to log on and submit the intervention or protests.

Persons unable to file electronically should submit an original and 5 copies of the intervention or protest to the Federal Energy Regulatory Commission, 888 First Street NE., Washington, DC 20426.

The filings in the above-referenced proceeding are accessible in the Commission's eLibrary system by clicking on the appropriate link in the above list. They are also available for electronic review in the Commission's Public Reference Room in Washington, DC. There is an eSubscription link on the Web site that enables subscribers to receive email notification when a document is added to a subscribed docket(s). For assistance with any FERC Online service, please email FERCOnlineSupport@ferc.gov, or call (866) 208-3676 (toll free). For TTY, call (202) 502-8659.

Dated: August 26, 2015.

Kimberly D. Bose,
Secretary.

k. Description of Request: The exemptee is seeking a temporary amendment to operate the project at a target elevation of 802.9 feet mean sea level (msl), or 0.4 foot above the authorized target elevation of 802.5 feet msl. The exemptee would continue to operate within the authorized elevation range of 801.83 feet msl and 803.17 feet msl. The exemptee states it has been operating at the 802.9 feet elevation and that the amendment is necessary to address public concerns about recreation and possible public safety issues when operating the project at the authorized target elevation. During the proposed temporary amendment, which would end on September 1, 2017, the exemptee plans to study the feasibility of permanently amending the exemption to operate at the higher target elevation.

l. Locations of the Application: A copy of the application is available for
