These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This notice also serves as a reminder to the parties subject to administrative protective order (APO) of their responsibility concerning the disposition of business proprietary information (BPI) disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern BPI in this segment of the proceeding. Timely notification of return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

We are issuing and publishing these results in accordance with sections 751(a)(2)(B) and 777(i)(1) of the Act and 19 CFR 351.214.

Dated: May 7, 2019.
