

instruments to be used in the Impact Evaluation of Charter School Strategies. The baseline intake instrument will collect information from parents of children applying for admission to the charter schools included in the study. The administrative records instruments will be used to collect information on student outcomes such as test scores and will be completed by school or district staff in these charter schools as well as in comparison schools that are attended by control group students. The study will examine the impacts of these charter schools on student outcomes over a two-year follow-up period.

DEPARTMENT OF EDUCATION

Submission for OMB Review; Comment Request

AGENCY: Department of Education.

SUMMARY: The Director, Regulatory Information Management Services, Office of the Chief Information Officer invites comments on the submission for OMB review as required by the Paperwork Reduction Act of 1995.

DATES: Interested persons are invited to submit comments on or before December 29, 2004.

ADDRESSES: Written comments should be addressed to the Office of Information and Regulatory Affairs, Attention: Carolyn Lovett, Desk Officer, Department of Education, Office of Management and Budget, 725 17th Street, NW., Room 10235, New

Executive Office Building, Washington, DC 20503 or faxed to (202) 395-6974.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The Director, Regulatory Information Management Services, Office of the Chief Information Officer, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g. new, revision, extension, existing or reinstatement; (2) title; (3) summary of the collection; (4) description of the need for, and proposed use of, the information; (5) respondents and frequency of collection; and (6) reporting and/or Recordkeeping burden. OMB invites public comment.

Dated: November 19, 2004.

Jeanne Van Vlandren,

Director, Regulatory Information Management Services, Office of the Chief Information Officer.

Office of Postsecondary Education

Type of Review: New.

Title: Gaining Early Awareness and Readiness for Undergraduate Programs (GEAR UP) Application for State Grants.

Frequency: One-time.

Affected Public: State, Local, or Tribal Gov't, SEAs or LEAs.

Reporting and Recordkeeping Hour Burden:

Responses: 35.

Burden Hours: 1,400.

Abstract: The purpose of this information collection is to allow states to apply for funding under the Gaining Early Awareness and Readiness for Undergraduate Programs (GEAR UP) program. The information collected in the GEAR UP application package allows the Department to make determinations as to whether potential applicants are eligible for GEAR UP funding and to allow field readers to score and rank applications for the Department to make funding determinations.

This information collection is being submitted under the Streamlined

Clearance Process for Discretionary Grant Information Collections (1890-0001). Therefore, the 30-day public comment period notice will be the only public comment notice published for this information collection.
