#### SUPPLEMENTARY INFORMATION:

##### I. Abstract

The purpose of this information collection is to enable members of the general public to apply for technical assistance provided by the NPS Rivers, Trails, and Conservation Assistance (RTCA) Program. The information collected will be used by the NPS to evaluate the applications for technical assistance. The RTCA Program draws its

authority from three important pieces of legislation, the Wild and Scenic Rivers Act (16 U.S.C. 1271 through 1287), the National Trails System Act (16 U.S.C. 1241 through 1249), and the Outdoor Recreation Act of 1963 (16 U.S.C. 4601-1 through 4601-3).

The RTCA Program is the community assistance service of the NPS. RTCA supports community-led natural resource conservation and outdoor recreation projects. Additionally, NPS staff provide technical assistance to communities to conserve rivers, preserve open space, and develop trails and greenways and other conservation and outdoor recreation community initiatives.

The RTCA Program collects the following as part of the application package to request technical assistance:

- Completed application form (NPS Form 10-1001 (Rev. 04/2016));
- Site location map;
- At least three (3) letters of commitment; and
- Supplementary information to help the NPS learn more about the project (background documents, examples of media coverage, additional support letters, maps, list of links to resources, project photos, etc.).
