

requirements in the application package and reference these and other requirements in the *Applicable Regulations* section of this notice.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. *Reporting*: (a) If you apply for a grant under this competition, you must ensure that you have in place the necessary processes and systems to comply with the reporting requirements in 2 CFR part 170 should you receive funding under the competition. This does not apply if you have an exception under 2 CFR 170.110(b).

(b) At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditure information as directed by the Secretary under 34 CFR 75.118. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c). For specific requirements on reporting, please go to www.ed.gov/fund/grant/apply/appforms/appforms.html.

4. *Performance Measures*: Under the Government Performance and Results Act of 1993 (GPRA), the Department has established a set of performance measures, including long-term measures, that are designed to yield information on various aspects of the effectiveness and quality of the Personnel Development to Improve Services and Results for Children with Disabilities Program. These measures include: (1) The percentage of projects that incorporate evidence-based practices into the curriculum; (2) the percentage of scholars completing Personnel Development to Improve Services and Results for Children with Disabilities-funded programs who are knowledgeable and skilled in evidence-based practices for children, including infants and toddlers, with disabilities; (3) the percentage of Personnel Development to Improve Services and Results for Children with Disabilities-funded scholars who exit preparation programs prior to completion due to poor academic performance; (4) the percentage of Personnel Development to Improve Services and Results for Children with Disabilities-funded degree/certification recipients who are working in the area(s) in which they

were prepared upon program completion; (5) the percentage of Personnel Development to Improve Services and Results for Children with Disabilities-funded degree/certification recipients who are working in the area(s) for which they were prepared upon program completion and are fully qualified under IDEA; (6) the percentage of Personnel Development to Improve Services and Results for Children with Disabilities degree/certification recipients who maintain employment for three or more years in the area(s) for which they were prepared and who are fully qualified under IDEA; and (7) the Federal cost per fully qualified degree/certification recipient.

Grantees may be asked to participate in assessing and providing information on these aspects of program quality.

5. *Continuation Awards*: In making a continuation award, the Secretary may consider, under 34 CFR 75.253, the extent to which a grantee has made "substantial progress toward meeting the objectives in its approved application." This consideration includes the review of a grantee's progress in meeting the targets and projected outcomes in its approved application, and whether the grantee has expended funds in a manner that is consistent with its approved application and budget. In making a continuation grant, the Secretary also considers whether the grantee is operating in compliance with the assurances in its approved application, including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).
