#### SUPPLEMENTARY INFORMATION:

**Title:** Regulation 16.02 Daily Trade and Supporting Data Reports (OMB Control No. 3038–0061). This is a request for an extension of a currently approved information collection.

**Abstract:** Commission Rule 16.02 requires Reporting Markets to report transaction-level trade data and related order information for each executed transaction. The Commission uses the transaction-level trade data and related order information to discharge its regulatory responsibilities, including the responsibilities to prevent market manipulations and commodity price distortions and ensure the financial integrity of its jurisdictional markets.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. On May 9, 2025, the Commission published in the **Federal Register** notice of the proposed extension of this information collection and provided 60 days for public comment on the proposed extension, 90 FR 19686 ("60-Day Notice"). The Commission did not receive any relevant comments on the 60-Day Notice.

**Burden Statement:** The Commission estimates that up to 20 Reporting Markets could provide daily trade and

supporting data reports to the Commission in the future. The CFTC believes that Reporting Markets incur an average burden of two hours to compile and submit each report made pursuant to Commission Rule 16.02. Reporting Markets submit an average of 250 reports annually. The estimated total annual time-burden for all Reporting Markets is 10,000 hours. The respondent burden for this collection is estimated to be as follows:

*Estimated Number of Respondents:* 20.

*Estimated Average Burden Hours per Respondent:* 500 hours.

*Estimated Total Annual Burden Hours:* 10,000 hours.

*Frequency of Collection:* Daily.

There are no capital costs or operating and maintenance costs associated with this collection.

(Authority: 44 U.S.C. 3501 *et seq.*)

Dated: July 18, 2025.

*Deputy Secretary of the Commission.*
