#### SUPPLEMENTARY INFORMATION:

##### I. Background

Section 743 of Division C of the Consolidated Appropriations Act, 2010 (Pub. L. 111-117) requires executive agencies covered by the Federal Activities Inventory Reform (FAIR) Act (Pub. L. 105-270), except DoD, to submit to the Office of Management and Budget (OMB) annually an inventory of activities performed by service contractors. DoD is exempt from this reporting requirement because 10 U.S.C. 2462 and 10 U.S.C. 2330a(c) already requires DoD to develop an annual service contract inventory.

House Report 111-366 notes, in connection with section 743, that, "(i)n the absence of complete and reliable information on the extent of their reliance on service contractors, Federal agencies are not well-equipped to determine whether they have the right balance of contractor and in-house resources needed to accomplish their missions. This section requires agencies to review the contents of the inventory and report on actions taken."

Section 743 mandates that, for each service contract, the agency-level inventory report must include the following information—

(1) A description of the services purchased by the executive agency and
