SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-90082; File No. SR-CboeBZX-2020-060]

Self-Regulatory Organizations; Cboe BZX Exchange, Inc.; Notice of Filing of Amendment No. 1 and Order Granting Accelerated Approval of a Proposed Rule Change, as Modified by Amendment No. 1, To Amend the Fifth Amended and Restated Bylaws of the Exchange's Parent Corporation, Cboe Global Markets, Inc.

October 2, 2020.

I. Introduction

On July 30, 2020, Cboe BZX Exchange, Inc. (the "Exchange") filed with the Securities and Exchange Commission (the "Commission"), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act")¹ and Rule 19b-4 thereunder,² a proposed rule change to amend the Fifth Amended and Restated Bylaws (the "Parent Bylaws") of its parent corporation, Cboe Global Markets, Inc. (the "Parent"). The proposed rule change was published for comment in the **Federal Register** on August 19, 2020.³ The Commission received no comment letters regarding the proposed rule change. On September 24, 2020, the Exchange filed Amendment No. 1 to the proposal.⁴ The Commission is

publishing this notice to solicit comments on Amendment No. 1 from interested persons and is approving the proposed rule change, as modified by Amendment No. 1, on an accelerated basis.

II. Description

The Exchange proposed certain amendments to the Parent Bylaws that, according to the Exchange, would "improve the governance processes" of the Parent and "make certain provisions more consistent with the Delaware General Corporation Law ("DGCL")."⁵ According to the Exchange, many of the proposed changes reflect corporate governance best practices and, in some instances, provide clarity and flexibility to the Parent Bylaws.⁶

*Proposed Changes to Article 2—Stockholders*⁷

The majority of the proposed changes amend Section 2.11 (Nomination of Directors) and Section 2.12 (Notice of Business at Annual Meetings). According to the Exchange, the changes are designed to reflect the most up-to-date practices under the DGCL and provide the Board with additional information and advance notice in connection with nominations and the conduct of business at annual and special meetings. In particular, the Exchange combines current Section 2.12 into Section 2.11 and amends provisions that govern notice requirements for annual and special meetings, as well as provisions that provide general procedures and practices in connection with notices. The proposed delineation does not alter the process or definition of either type of meeting, but instead provides for significantly more detailed written notice requirements as well as updates to the manner and timeliness of notices. Additionally, as detailed further in the Notice, the proposed rule change relocates and expands text concerning nominees for directors and elections of directors, as well as amends provisions concerning the place of annual and

special meetings and the adjournment of meetings.⁸

Further, the Exchange proposes to update provisions that govern the preparing of the voting list, the ability of the Board to appoint a director to preside over meetings in the absence of the Chairman of the Board, and provisions concerning the procedural authority of the presiding officer at any stockholder meeting.⁹

*Proposed Changes to Article 3—Directors*¹⁰

The proposed rule change amends provisions concerning director vacancies, notice for special meetings of the Board, and the routine filing of consents following an action by the Board.¹¹

The proposed change also adds new Section 3.15 (Emergency Bylaws). In particular, that new section provides certain temporary emergency provisions that would apply at the outset of an emergency, disaster, or catastrophe, notwithstanding anything to the contrary in the Certificate of Incorporation or the Bylaws, only for so long as a quorum of the Board cannot readily be convened for action. The Exchange notes that proposed Section 3.15 is meant to provide the Parent with short-term flexibility to continue operations during an emergency situation, and that proposed paragraph (f) makes clear that, as soon as it is practicable for a majority of the elected directors to reconvene, they would be expected to do so.¹²

*Proposed Changes to Article 4—Committees*¹³

The proposed rule change to Section 4.1 (Designation of Committees) adds language to reflect that the Board may designate one or more committees of the Board, and also adds text to address the absence or disqualification of committee members and allow committee members

³ See Securities Exchange Act Release No. 89550 (August 13, 2020), 85 FR 51117 ("Notice").

⁴ In Amendment No. 1, the Exchange provided additional detail and clarity on a few points without materially changing the proposal or the proposed rule text. Specifically, in Amendment No. 1, the Exchange: (i) Provided additional support for its proposed restrictions on the use of audio, video, and cell phones during stockholder meetings, including information on past practice by the Exchange, underlying authority for such restrictions in the current Parent Bylaws, and comparison to the practices of other Delaware-incorporated public companies; (ii) clarified that the provisions of proposed Section 3.15(g) may need to be filed pursuant to Section 19 of the Exchange Act; (iii) clarified that proposed Section 3.15 is meant to provide short-term flexibility to continue operations during the initial stage of an emergency situation, and that proposed paragraph (f) makes clear that, as soon as it is practicable for a majority of the elected directors to reconvene, they would be

expected to do so; and (iv) added further explanation of the provision in proposed Section 4.1 regarding the limitation of the power and authority vested in a Board committee in the management of the business and affairs of the Parent. To promote transparency of its proposed amendment, when the Exchange filed Amendment No. 1 with the Commission, it also submitted Amendment No. 1 as a comment letter to the filing, which then became publicly available on the Commission's website.
