

manufacturers, 15 motorcycle manufacturers, 8 emergency vehicle manufacturers, 33 bus manufacturers, 32 tire manufacturers, and 42 child restraint manufactures).

To calculate the labor cost associated with computer maintenance hours, NHTSA looked at wage estimates for the type of personnel submitting the documents. The Bureau of Labor Statistics (BLS) estimates that the

average hourly wage for Computer Support Specialists (BLS Occupation code 15–1230) in the Motor Vehicle Manufacturing Industry is \$31.39.¹⁶ The Bureau of Labor Statistics estimates that private industry workers' wages represent 70.2% of total labor compensation costs.¹⁷ Therefore, NHTSA estimates the hourly labor costs to be \$44.72 for Computer Support Specialists. For the estimated total of

35,415 annual computer maintenance burden hours, NHTSA estimates the associated labor costs will be approximately \$1,583,736. Table 9 shows the annual estimated burden hours for computer maintenance by vehicle/equipment category and the estimated labor costs associated with those burden hours.

TABLE 9—ESTIMATED MANUFACTURER ANNUAL BURDEN HOURS FOR COMPUTER MAINTENANCE FOR REPORTING

| Vehicle/equipment category | Avg. No. of manufacturers | Hours for computer maintenance per manufacturer | Average hourly labor cost | Annual burden hours for computer maintenance | Total labor costs |
|-----------------------------|---------------------------|---|---------------------------|--|----------------------------|
| Light Vehicles | 36 | 347 | \$44.72 | 12,492 | \$558,642.24 |
| Medium-Heavy Vehicles | 39 | 86.5 | 44.72 | 3,373.5 | 150,862.92 |
| Trailers | 96 | 86.5 | 44.72 | 8,304 | 371,352.88 |
| Motorcycles | 15 | 86.5 | 44.72 | 1,297.5 | 58,024.20 |
| Emergency Vehicles | 8 | 86.5 | 44.72 | 692 | 30,946.24 |
| Buses | 33 | 86.5 | 44.72 | 2,854.5 | 127,653.24 |
| Tires | 32 | 86.5 | 44.72 | 2,768 | 123,784.96 |
| Child Restraints | 42 | 86.5 | 44.72 | 3,633 | 162,467.76 |
| Totals | | | | 35,414.5; 35,415 | 1,583,736.44; 1,583,736 |

Based on the foregoing, we estimate the burden hours for industry to comply with the current Part 579 reporting requirements (EWR requirements, foreign campaign requirements and Part 579.5 requirements) to be 53,810 hours per year. The total annual burden hours for this information collection consisting of manufacturer communications under Section 579.5 (Subpart A), foreign reporting (Subpart B), EWR submissions and reporting (Subpart C), and computer maintenance is outlined in Table 9 below.

TABLE 9—TOTAL MANUFACTURER BURDEN HOURS FOR THIS COLLECTION

| Reporting type | Annual burden hours |
|---|---------------------|
| Subpart A: Manufacturer Communications § 579.5 (Table 1) | 2,074 |
| Subpart B: Foreign Reporting (Table 2) | 1,590 |
| Subpart C: EWR Submissions and Quarterly Reporting (Tables 4 & 6) | 14,731 |
| Computer Maintenance | 35,415 |
| Total | 53,810 |

The burden estimates represent an overall increase in burden hours of 4,567 hours. The increase in burden

hours is due to increases in the number of submissions and modifying this request to include reporting for common green tires and additional information requested by NHTSA per Section 579.28(l) that were left out of the previous information collection request. The wage estimates have been adjusted to reflect the latest available rates from the Bureau of Labor Statistics.

Estimated Total Annual Burden Cost: NHTSA estimates the collection requires no additional costs to the respondents beyond the labor costs associated with the burden hours to collect and submit the reports to NHTSA and the labor hours and associated labor costs for computer maintenance.

Public Comments Invited: You are asked to comment on any aspects of this information collection, including (a) whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information

on respondents, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of responses.

Authority: The Paperwork Reduction Act of 1995; 44 U.S.C. Chapter 35, as amended; 49 CFR 1.49; and DOT Order 1351.29.

Stephen A. Ridella,

Director, Office of Defects Investigation.

DEPARTMENT OF TRANSPORTATION

Pipeline and Hazardous Materials Safety Administration

[Docket No. PHMSA–2017–0163]

Pipeline Safety: Request for Special Permit; Colorado Interstate Gas Company, LLC

AGENCY: Pipeline and Hazardous Materials Safety Administration (PHMSA), DOT.

ACTION: Notice.

SUMMARY: PHMSA is publishing this notice to solicit public comments on a request for special permit received from the Colorado Interstate Gas Company,

¹⁶ https://www.bls.gov/oes/current/naics4_336100.htm#15-0000.

¹⁷ Employer Costs for Employee Compensation, U.S. Bureau of Labor Statistics, <https://www.bls.gov/news.release/eccec.t01.htm>. Last Accessed July 31, 2020.

LLC (CIG). The special permit request is seeking relief from compliance with certain requirements in the Federal pipeline safety regulations. At the conclusion of the 30-day comment period, PHMSA will review the comments received from this notice as part of its evaluation to grant or deny the special permit request.

DATES: Submit any comments regarding this special permit request by November 29, 2021

ADDRESSES: Comments should reference the docket number for this special permit request and may be submitted in the following ways:

- **E-Gov Website:** <http://www.Regulations.gov>. This site allows the public to enter comments on any **Federal Register** notice issued by any agency.
- **Fax:** 1-202-493-2251.
- **Mail:** Docket Management System: U.S. Department of Transportation, Docket Operations, M-30, West Building Ground Floor, Room W12-140, 1200 New Jersey Avenue SE, Washington, DC 20590.

- **Hand Delivery:** Docket Management System: U.S. Department of Transportation, Docket Operations, M-30, West Building Ground Floor, Room W12-140, 1200 New Jersey Avenue SE, Washington, DC 20590, between 9:00 a.m. and 5:00 p.m., Monday through Friday, except Federal holidays.

Instructions: You should identify the docket number for the special permit request you are commenting on at the beginning of your comments. If you submit your comments by mail, please submit two (2) copies. To receive confirmation that PHMSA has received your comments, please include a self-addressed stamped postcard. Internet users may submit comments at <http://www.Regulations.gov>.

Note: There is a privacy statement published on <http://www.Regulations.gov>. Comments, including any personal information provided, are posted without changes or edits to <http://www.Regulations.gov>.

Confidential Business Information: Confidential Business Information (CBI) is commercial or financial information that is both customarily and actually treated as private by its owner. Under the Freedom of Information Act (FOIA) (5 U.S.C. 552), CBI is exempt from public disclosure. If your comments responsive to this notice contain commercial or financial information that is customarily treated as private, that you actually treat as private, and that is relevant or responsive to this notice, it is important that you clearly designate the submitted comments as

CBI. Pursuant to 49 Code of Federal Regulations (CFR) § 190.343, you may ask PHMSA to give confidential treatment to information you give to the agency by taking the following steps: (1) Mark each page of the original document submission containing CBI as “Confidential”; (2) send PHMSA, along with the original document, a second copy of the original document with the CBI deleted; and (3) explain why the information you are submitting is CBI. Unless you are notified otherwise, PHMSA will treat such marked submissions as confidential under the FOIA, and they will not be placed in the public docket of this notice. Submissions containing CBI should be sent to Kay McIver, DOT, PHMSA—PHP-80, 1200 New Jersey Avenue SE, Washington, DC 20590-0001. Any commentary PHMSA receives that is not specifically designated as CBI will be placed in the public docket for this matter.

FOR FURTHER INFORMATION CONTACT:

General: Ms. Kay McIver by telephone at 202-366-0113, or by email at kay.mciver@dot.gov.

Technical: Mr. Steve Nanney by telephone at 713-272-2855, or by email at steve.nanney@dot.gov.

SUPPLEMENTARY INFORMATION: PHMSA received a special permit request from CIG, a subsidiary of Kinder Morgan, Inc., seeking a waiver from the requirements of 49 CFR 192.611(a) and (d): Change in class location: Confirmation or revision of maximum allowable operating pressure, and 49 CFR 192.619(a): Maximum allowable operating pressure: Steel or plastic pipelines. This special permit is being requested in lieu of pipe replacement, pressure reduction, or new pressure tests for two (2) special permit segments totaling 963.12 feet (approximately 0.182 miles) of pipeline. The CIG pipeline special permit segments consist of the following:

- Weld County, Colorado—142.00 feet of 22-inch diameter Line 5A Pipeline, Class 1 to 3 location change, operates at a maximum allowable operating pressure (MAOP) of 850 pounds per square inch gauge (psig) and was constructed in 1956.
- Weld County, Colorado—821.12 feet of 24-inch diameter Line 250A Pipeline, Class 1 to 3 location change, operates at a MAOP of 1,200 psig and was constructed in 2008.

The special permit request, proposed special permit with conditions, and Draft Environmental Assessment (DEA) for the above listed CIG pipeline segments are available for review and public comments in Docket No.

PHMSA-2017-0163. PHMSA invites interested persons to review and submit comments on the special permit request and DEA in the docket. Please include any comments on potential safety and environmental impacts that may result if the special permit is granted. Comments may include relevant data.

Before issuing a decision on the special permit request, PHMSA will evaluate all comments received on or before the comments closing date. Comments received after the closing date will be evaluated, if it is possible to do so without incurring additional expense or delay. PHMSA will consider each relevant comment it receives in making its decision to grant or deny this special permit request.

Issued in Washington, DC on August 13, 2021, under authority delegated in 49 CFR 1.97.

Alan K. Mayberry,

Associate Administrator for Pipeline Safety.

BILLING CODE 4910-60-P

DEPARTMENT OF THE TREASURY

Office of the Comptroller of the Currency

Agency Information Collection Activities: Information Collection Renewal; Submission for OMB Review; Supervisory Guidance on Stress Testing for Banking Organizations With Total Consolidated Assets of More Than \$10 Billion

AGENCY: Office of the Comptroller of the Currency, Treasury (OCC).

ACTION: Notice and request for comment.

SUMMARY: The OCC, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on a continuing information collection as required by the Paperwork Reduction Act of 1995 (PRA). In accordance with the requirements of the PRA, the OCC may not conduct or sponsor, and the respondent is not required to respond to, an information collection unless it displays a currently valid Office of Management and Budget (OMB) control number. The OCC is soliciting comment concerning renewal of its information collection titled, “Supervisory Guidance on Stress Testing for Banking Organizations with Total Consolidated Assets of More Than \$10 Billion.” The OCC also is giving notice that it has sent the collection to OMB for review.
