

DEPARTMENT OF HOMELAND SECURITY**Coast Guard****33 CFR Part 117****[Docket No. USCG–2017–0538]****Drawbridge Operation Regulation; China Basin, San Francisco, CA****AGENCY:** Coast Guard, DHS.**ACTION:** Notice of deviation from drawbridge regulation.

SUMMARY: The Coast Guard has issued a temporary deviation from the operating schedule that governs the 3rd Street Drawbridge across China Basin, mile 0.0, at San Francisco, CA. The deviation is necessary to allow participants to cross the bridge, uninterrupted, during the San Francisco Marathon. This deviation allows the bridge to remain in the closed-to-navigation position during the deviation period.

DATES: This deviation is effective from 6 a.m. to 2 p.m. on July 23, 2017.

ADDRESSES: The docket for this deviation [USCG–2017–0538], is available at <http://www.regulations.gov>. Type the docket number in the “SEARCH” box and click “SEARCH.” Click on Open Docket Folder on the line associated with this deviation.

FOR FURTHER INFORMATION CONTACT: If you have questions on this temporary deviation, call or email Carl T. Hausner, Chief, Bridge Section, Eleventh Coast Guard District; telephone 510–437–3516; email Carl.T.Hausner@uscg.mil.

SUPPLEMENTARY INFORMATION: The City of San Francisco has requested a temporary change to the operation of the 3rd Street Drawbridge, mile 0.0, over China Basin, at San Francisco, CA. The drawbridge navigation span provides a vertical clearance of 3 feet above Mean High Water in the closed-to-navigation position. The draw opens on signal if at least one hour notice is given, as required by 33 CFR 117.149. Navigation on the waterway is recreational.

The drawspan will be secured in the closed-to-navigation position from 6 a.m. to 2 p.m. on July 23, 2017, to allow participants to cross the bridge, uninterrupted, during the San Francisco Marathon. This temporary deviation has been coordinated with the waterway users. No objections to the proposed temporary deviation were raised.

Vessels able to pass through the bridge in the closed position may do so at anytime. The bridge will be able to open for emergencies. There is no immediate alternate route for vessels to pass. The Coast Guard will also inform

the users of the waterway through our Local and Broadcast Notices to Mariners of the change in operating schedule for the bridge so that vessel operators can arrange their transits to minimize any impact caused by the temporary deviation.

In accordance with 33 CFR 117.35(e), the drawbridge must return to its regular operating schedule immediately at the end of the effective period of this temporary deviation. This deviation from the operating regulations is authorized under 33 CFR 117.35.

Dated: June 27, 2017.

C.T. Hausner,

District Bridge Chief, Eleventh Coast Guard District.

BILLING CODE 9110–04–P

DEPARTMENT OF HOMELAND SECURITY**Coast Guard****33 CFR Part 117****[Docket No. USCG–2017–0325]****Drawbridge Operation Regulation; Quantuck Canal, Westhampton Beach, NY****AGENCY:** Coast Guard, DHS.**ACTION:** Notice of deviation from drawbridge regulation.

SUMMARY: The Coast Guard has issued a temporary deviation from the operating schedule that governs the West Bay Bridge across the Quantuck Canal, mile 0.1 at Westhampton Beach, New York. This action is necessary to complete rehabilitation of the bascule leaves of the drawbridge. The deviation will allow the bridge to open only one bascule span in order to provide passage for vessels requiring an opening.

DATES: This deviation is effective from 12:01 a.m. on October 2, 2017 to 11:59 p.m. on March 30, 2018.

ADDRESSES: The docket for this deviation, USCG–2017–0325, is available at <http://www.regulations.gov>. Type the docket number in the “SEARCH” box and click “SEARCH”. Click on Open Docket Folder on the line associated with this deviation.

FOR FURTHER INFORMATION CONTACT: If you have questions on this temporary deviation, call or email James M. Moore, Bridge Management Specialist, First District Bridge Branch, U.S. Coast Guard; telephone 212–514–4334, email james.m.moore2@uscg.mil.

SUPPLEMENTARY INFORMATION: The Suffolk County Department of Public

Works, the owner of the bridge, requested a temporary deviation in order to facilitate reconstruction of the bascule leaves.

The West Bay Bridge across the Quantuck Canal, mile 0.1, at Westhampton Beach, New York is a double-leaf bascule bridge offering mariners a vertical clearance of 11 feet at mean high water and 13.3 feet at mean low water in the closed position. Horizontal clearance is 50 feet. Utilization of a work barge placed underneath one of the bascule leaves will reduce horizontal clearance to 25 feet. The existing drawbridge operating regulations are listed at 33 CFR 117.799(d).

This temporary deviation will allow the Beach Lane Bridge to open only one of the two bascule spans for bridge openings from 12:01 a.m. on October 2, 2017 to 11:59 p.m. on March 30, 2018. Dual lift span operations will be available, provided 48 hours of advance notice is furnished to the owner of the bridge.

The majority of vessels requiring bridge openings are sailing vessels and yachts transiting the waterway. Discussion with the proprietor of the Modern Yachts Marina located in the vicinity of the bridge confirms typical recreational traffic will continue to be able to proceed through the navigation opening of the bridge during one-leaf operations. Moreover, the bulk of recreational traffic that utilizes the waterway is largely seasonal in nature, peaking during the late spring, summer and early autumn months. Little to no recreational traffic transits the Quantuck Canal throughout the winter. Small scale tug/barge combinations occasionally transit the Quantuck Canal, but such commercial craft are generally limited in size. Mariners concur that the requirement to provide the bridge owner 48 hours of advance notice for dual lift span operations will not impede overall operations.

Vessels that can pass under the bridge without an opening may do so at all times. The bridge will be able to open for emergencies and there is an alternate route for vessels unable to pass through the bridge when in the closed position.

The Coast Guard will also inform the users of the waterways through our Local and Broadcast Notices to Mariners of the change in operating schedule for the bridge so vessel operators can arrange their transits to minimize any impact caused by this temporary deviation.

In accordance with 33 CFR 117.35(e), the drawbridge must return to its regular operating schedule immediately at the end of the effective period of this

temporary deviation. This deviation from the operating regulations is authorized under 33 CFR 117.35.

Dated: June 15, 2017.

C.J. Bisignano,

*Supervisory Bridge Management Specialist,
First Coast Guard District.*

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 117

[Docket No. USCG-2017-0356]

Drawbridge Operation Regulation; Sloop Channel, Hempstead, NY

AGENCY: Coast Guard, DHS.

ACTION: Notice of deviation from drawbridge regulation.

SUMMARY: The Coast Guard has issued a temporary deviation from the operating schedule that governs the Wantagh State Parkway Bridge across Sloop Channel, mile 15.4, at Hempstead, New York. This deviation is necessary in order to facilitate an annual fireworks display and allows the bridge to remain in the closed position.

DATES: This deviation is effective from 9 p.m. to 11:59 p.m. on July 4, 2017.

ADDRESSES: The docket for this deviation, USCG-2017-0356, is available at <http://www.regulations.gov>. Type the docket number in the "SEARCH" box and click "SEARCH". Click on Open Docket Folder on the line associated with this deviation.

FOR FURTHER INFORMATION CONTACT: If you have questions on this temporary deviation, call or email James M. Moore, Bridge Management Specialist, First District Bridge Branch, U.S. Coast Guard; telephone 212-514-4334, email james.m.moore2@uscg.mil.

SUPPLEMENTARY INFORMATION: The New York State Office of Parks, Recreation, and Historic Preservation with concurrence of the bridge owner, the New York State Department of Transportation, requested a temporary deviation from the normal operating schedule to facilitate a public fireworks event.

The Wantagh Parkway Bridge, mile 15.4, across Sloop Channel, has a vertical clearance of 20 feet at mean high water and 21.8 feet at mean low water in the closed position. The existing drawbridge operating regulation is listed at 33 CFR 117.5.

The temporary deviation will allow the Wantagh Parkway Bridge to remain closed from 9 p.m. through 11:59 p.m. on July 4, 2017. The waterway is used primarily by seasonal recreational vessels and occasional tug/barge traffic. Coordination with waterway users has indicated no objections to the proposed short-term closure of the draw.

Vessels that can pass under the bridge without an opening may do so at all times. The bridge will be able to open for emergencies. There is no alternate route for vessels to pass.

The Coast Guard will also inform the users of the waterways through our Local and Broadcast Notices to Mariners of the change in operating schedule for the bridge so that vessel operators can arrange their transits to minimize any impact caused by the temporary deviation.

In accordance with 33 CFR 117.35(e), the drawbridge must return to its regular operating schedule immediately at the end of the effective period of this temporary deviation. This deviation from the operating regulations is authorized under 33 CFR 117.35.

Dated: June 27, 2017.

Coast Guard

33 CFR Part 165

[Docket No. USCG-2017-0561]

Safety Zones; Cornucopia 4th of July Fireworks Display, Siskiwit Bay, Cornucopia, WI

AGENCY: Coast Guard, DHS.

ACTION: Notice of enforcement of regulation.

SUMMARY: The Coast Guard will enforce the safety zone for the Cornucopia 4th of July Fireworks Display in Cornucopia, WI from 9:30 p.m. through 11:00 p.m. on July 1, 2017. This action is necessary to protect participants and spectators during the Cornucopia 4th of July Fireworks Display. During the enforcement period, entry into, transiting, or anchoring within the safety zone is prohibited unless authorized by the Captain of the Port Duluth or her designated on-scene representative.

DATES: The regulations in 33 CFR 165.943(a)(4) and (b) will be enforced from 9:30 p.m. through 11:00 p.m. on July 1, 2017, for the Cornucopia 4th of July Fireworks Display safety zone, located in § 165.943(a)(4).

FOR FURTHER INFORMATION CONTACT: If you have questions on this document, call or email LT John Mack, Chief of Waterways Management, Coast Guard; telephone (218) 725-3818, email john.v.mack@uscg.mil.

SUPPLEMENTARY INFORMATION: The Coast Guard will enforce the safety zone for the annual Cornucopia 4th of July Fireworks Display in 33 CFR 165.943(a)(4) and (b) from 9:30 p.m. through 11:00 p.m. on July 1, 2017 on all waters of Siskiwit Bay bounded by the arc of a circle with a 420-foot radius from the fireworks launch site with it center in position 46°51'35" N., 091°06'15" W.

Entry into, transiting, or anchoring within the safety zone is prohibited unless authorized by the Captain of the Port Duluth or her designated on-scene representative. The Captain of the Port's designated on-scene representative may be contacted via VHF Channel 16 or via telephone at (715) 779-5100. This document is issued under authority of 33 CFR 165.943 and 5 U.S.C. 552(a). In addition to this publication in the **Federal Register**, the Coast Guard will provide the maritime community with advance notification of the enforcement of this safety zone via Broadcast Notice to Mariners. The Captain of the Port Duluth or her on-scene representative may be contacted via VHF Channel 16 or via telephone at (715) 779-5100.

Dated: June 22, 2017.

E.E. Williams,

Commander, U.S. Coast Guard, Captain of the Port.
