OMB Control Number: 1850–NEW.

Type of Review: A new information collection.

Abstract: The Study of Race to the Top-Early Learning Challenge Tiered Quality Rating and Improvement Systems (RTT–ELC TQRIS) will collect data from two to three RTT–ELC states on TQRIS ratings, component-level ratings, indicator-level ratings, and kindergarten entry assessments. In the event that the kindergarten entry assessment data are not available from state databases, the study will reach out to selected districts in the RTT–ELC states to collect such data. If this step proves necessary, the study will reach out to up to 42 districts in order to ultimately recruit 14 districts from which to collect assessment data. The study will use these data to conduct analyses of the relationship between TQRIS ratings and child outcome measures to inform ongoing development and improvement of TQRIS systems at the state level.
