

quantitative criteria set forth in Amex Rule 994-ANTE. Specifically, specialists are awarded remote quoting rights based on Exchange floor volume executed, and their percentage of industry market share in the options in which they specialize. ROTs are awarded remote quoting rights based solely on floor volume executed.

Currently, volume executed as a result of quoting remotely is not included in the calculation of remote quoting rights in Rule 994-ANTE. However, according to the Exchange, since the implementation of the RROT Program in May of 2006, volume is increasingly executed as a result of remote quotes entered by ROTs and specialists. The Exchange believes it is appropriate to reward those ROTs and specialists for the volume they execute as a result of quoting remotely, by including such volume towards the earning of additional remote quoting rights.

The Commission finds that the proposed rule change, as amended, is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities exchange.⁵ In particular, the Commission finds that the proposal is consistent with Section 6(b)(5) of the Act,⁶ which requires, among other things, that the rules of an exchange be designed to promote just and equitable principles of trade, remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, protect investors and the public interest. Volume executed as a result of quoting remotely, as well as volume executed on the floor, contributes to liquidity in a class. The Commission therefore believes that it is appropriate and consistent with the Act for the Exchange to include volume executed remotely by specialists and ROTs in the calculation of remote quoting rights on the Exchange.

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,⁷ that the proposed rule change (SR-Amex-2007-132), as modified by Amendment No. 1 thereto, is approved.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.⁸

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-57197; File No. SR-CBOE-2008-06]

Self-Regulatory Organizations; Chicago Board Options Exchange, Incorporated; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Regarding Fees for CBOE Stock Exchange Permit Applicants

January 24, 2008.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (“Act”) and Rule 19b-4 thereunder,² notice is hereby given that on January 15, 2008, the Chicago Board Options Exchange, Incorporated (“CBOE” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been substantially prepared by the Exchange. The Exchange filed the proposed rule change pursuant to Section 19(b)(3)(A) of the Act,³ and Rule 19b-4(f)(2) thereunder,⁴ which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to modify its fees applicable to CBOE Stock Exchange (“CBSX”) permit applicants. The text of the proposed rule change is available at the Exchange, at the Commission’s Public Reference Room, and on the Exchange’s Internet Web site at <http://www.cboe.org/legal>.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the

proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this proposed rule change is to amend the CBSX fee schedule to allow for a stand-alone fee for CBSX permit applicants. CBOE Rule 3.26 established the CBSX Permit Program which allows the Exchange to issue up to 100 trading permits that confer the ability to transact on CBSX without the necessity of acquiring a regular Exchange membership through purchase, lease, or otherwise. The CBSX fee schedule lists the fees applicable to CBSX users. Initially, CBSX permit applicants were charged application fees consistent with the CBOE Fee Schedule for new membership applications. The Exchange now seeks to establish a stand-alone CBSX permit application fee of \$1000 that would cover all aspects of the application process. This fee amount provides a cost savings to CBSX permit applicants because it is less than the current costs assessed to CBOE new member applicants. The proposed rule change will be implemented Wednesday, January 16, 2008.

2. Statutory Basis

The proposed rule change is consistent with Section 6(b) of the Act,⁵ in general, and furthers the objectives of Section 6(b)(4) of the Act,⁶ in particular, in that it is designed to provide for the equitable allocation of reasonable dues, fees, and other charges among CBOE members and other persons using its facilities.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

⁵ In approving this proposed rule change, the Commission notes that it has considered the proposed rule’s impact on efficiency, competition, and capital formation. 15 U.S.C. 78c(f).

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing proposed rule change is effective upon filing pursuant to Section 19(b)(3)(A)(ii)⁷ of the Act and Rule 19b-4(f)(2)⁸ thereunder because it establishes or changes a due, fee, or other charge applicable only to a member imposed by the Exchange. At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Under the Exchange's rules, the Exchange's Matching System will not execute an order if its execution would be improper under Rule 611 of Regulation NMS under the Act (an "improper trade-through").³ Similarly, the Exchange's Matching System will not display an order if its display would improperly lock or cross other markets.⁴ In these situations, the Exchange either cancels the order back to the participant that submitted it or routes the order to the destination of the participant's choice, all at the direction of the participant.⁵

Under this proposal, the Exchange seeks to make three administrative changes to its routing rules to permit these third-party routers to provide better service to their customers. The

⁵ The participant is responsible for ensuring that it has a relationship with its chosen destination to permit the requested access. The Exchange is not involved in the execution of the order—any execution of the order is the responsibility of the destination to which the order was sent. The Exchange, however, reports any execution or cancellation of the order by the other destination to the participant that submitted the order and notifies the other venue of any cancellations or changes to the order submitted by the order-sending participant.
