SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–72989; File No. SR–MIAX–
2014–47]

Self-Regulatory Organizations; Miami International Securities Exchange LLC; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend Its Fee Schedule

September 4, 2014

Pursuant to the provisions of Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”) ¹ and Rule 19b–4 thereunder,² notice is hereby given that on August 25, 2014, Miami International Securities Exchange LLC (“MIAX” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”) a proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange is filing a proposal to amend its Fee Schedule.

The text of the proposed rule change is available on the Exchange’s Web site at http://www.miaxoptions.com/filter/wotitle/rule_filing, at MIAX’s principal office, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend its Fee Schedule to: (i) Adopt transaction fees for market participants in non-Penny Pilot options classes; (ii) provide for additional incentives for achieving certain Priority Customer Rebate Program volume tiers; and (iii) to make a minor technical change to delete obsolete language. The proposed changes are based on the similar fees of other competing options exchange.³

The Exchange proposes to adopt transaction fees for Public Customers that are not a Priority Customer, Non-MIAX Market Makers, Non-Member Broker-Dealers, and Firms in non-Penny Pilot options classes. Specifically, the Exchange proposes to assess the following fees for transactions in non-Penny Pilot options classes: (i) Public Customers that are not a Priority Customer, \$0.32 per contract for standard options and \$0.03 per contract for mini options; (ii) Non-MIAX Market Makers, \$0.62 per contract for standard options and \$0.06 per contract for mini options; (iii) Non-Member Broker-Dealers, \$0.62 per contract for standard options and \$0.06 per contract for mini options; and (iv) Firms, \$0.32 per contract for standard options and \$0.03 per contract for mini options. The Exchange notes that the transaction fees for Priority Customers and Market Makers will not change and thus both will continue to be charged the same amount for non-Penny Pilot options classes and Penny Pilot options classes as they do today.

The Exchange proposes to offer MIAX Market Makers, Public Customers that are not a Priority Customer, Non-MIAX Market Makers, Non-Member Broker-Dealers, and Firms the opportunity to reduce transaction fees by \$0.02 per contract in standard options in non-Penny Pilot options classes in the same manner as Penny Pilot options classes.⁴ Specifically, any Member or its affiliates of at least 75% common ownership between the firms as reflected on each firm’s Form BD, Schedule A, that qualifies for Priority Customer Rebate Program volume tiers 3, 4, or 5 and is a Public Customers that are not a Priority Customer or Firm will be

assessed \$0.30 per contract for standard options in non-Penny Pilot options classes. Further, any Member or its affiliates of at least 75% common ownership between the firms as reflected on each firm’s Form BD, Schedule A, that qualifies for Priority Customer Rebate Program volume tiers 3, 4, or 5 and is a Non-MIAX Market Makers or Non-Member Broker-Dealers will be assessed \$0.60 per contract for standard options in non-Penny Pilot options classes. The Exchange believes that these incentives will encourage MIAX Market Makers, Public Customers that are not a Priority Customer, Non-MIAX Market Makers, Non-Member Broker-Dealers, and Firms to transact a greater number of orders on the Exchange.

The Exchange also proposes a technical change to delete an obsolete fee and date from the Options Regulatory Fee schedule of the Fee Schedule. The Exchange believes that this change will reduce the potential of confusion on behalf of market participants.

The Exchange proposes to implement the new transaction fees beginning September 1, 2014.

2. Statutory Basis

The Exchange believes that its proposal to amend its fee schedule is consistent with Section 6(b) of the Act ⁵ in general, and furthers the objectives of Section 6(b)(4) of the Act ⁶ in particular, in that it is an equitable allocation of reasonable fees and other charges among Exchange members.

The Exchange believes that its proposal to assess transaction fees in non-Penny Pilot options classes, which differs from Penny Pilot options classes, is consistent with other options markets that also assess different transaction fees for non-Penny Pilot options classes as compared to Penny Pilot options classes. The Exchange believes that establishing different pricing for non-Penny Pilot options and Penny Pilot options is reasonable, equitable, and not unfairly discriminatory because Penny Pilot options are more liquid options as compared to non-Penny Pilot options. Additionally, other competing options exchanges differentiate pricing in the similar manner today.⁷
