

(i) The anesthesiologist performs a pre-anesthetic examination and evaluation;

(ii) The anesthesiologist prescribes the anesthesia plan;

(iii) The anesthesiologist personally participates in the most demanding aspects of the anesthesia plan including, if applicable, induction and emergence;

(iv) The anesthesiologist ensures that any procedures in the anesthesia plan that he or she does not perform are performed by a qualified anesthesiologist assistant;

(v) The anesthesiologist monitors the course of anesthesia administration at frequent intervals;

(vi) The anesthesiologist remains physically present and available for immediate personal diagnosis and treatment of emergencies;

(vii) The anesthesiologist provides indicated post-anesthesia care; and

(viii) The anesthesiologist performs no other services while he or she supervises no more than four anesthesiologist assistants concurrently or a lesser number if so limited by the state in which the procedure is performed.

(2) Is in compliance with all applicable requirements of state law, including any licensure requirements the state imposes on nonphysician anesthetists; and

(3) Is a graduate of a Master's level anesthesiologist assistant educational program that is established under the auspices of an accredited medical school and that:

(i) Is accredited by the Committee on Allied Health Education and Accreditation, or its successor organization; and

(ii) Includes approximately two years of specialized basic science and clinical education in anesthesia at a level that builds on a premedical undergraduate science background.

(4) The Director, TMA, or a designee, shall issue TRICARE policies, instructions, procedures, guidelines, standards, and criteria as may be necessary to implement the intent of this section.

(j) *Certified Registered Nurse Anesthetist (CRNA)*. A certified registered nurse anesthetist may provide covered care independent of physician referral and supervision as specified by state licensure. For purposes of CHAMPUS, a certified registered nurse anesthetist is an individual who:

(1) Is a licensed, registered nurse; and

(2) Is certified by the Council on Certification of Nurse Anesthetists, or its successor organization.

33 CFR Part 165

[CGD13-04-020]

RIN 1625-AA00

Safety Zones: Fireworks Displays in the Captain of the Port, Portland Zone

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing safety zones on the waters of the Columbia River and the Willamette River, during fireworks displays. The Captain of the Port, Portland, Oregon, is taking this action to safeguard watercraft and their occupants from safety hazards associated with these displays. Entry into these safety zones is prohibited unless authorized by the Captain of the Port.

DATES: This regulation is effective from 9:45 p.m. on July 10, 2004, until 9:45 p.m. on September 2, 2004.

ADDRESSES: Comments and material received from the public, as well as documents indicated in this preamble as being available in the docket, are available for inspection or copying at the U.S. Coast Guard MSO/Group Portland, 6767 N. Basin Ave., Portland, Oregon 97217 between 7 a.m. and 4 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: Lieutenant Junior Grade Ryan Wagner, c/o Captain of the Port, Portland 6767 N. Basin Avenue, Portland, Oregon 97217, (503) 240-2584.

SUPPLEMENTARY INFORMATION:

Regulatory Information

We did not publish a notice of proposed rulemaking (NPRM) for this regulation. Under 5 U.S.C. 553(b)(B) and 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for not publishing an NPRM and for making this rule effective less than 30 days after publication in the **Federal Register**. Publishing a NPRM and incorporating these events into 33 CFR 165.13-1315 would be contrary to public interest since the dates for these three events will not always fall on the same day in future years. In addition, immediate action is necessary to ensure the safety of vessels and spectators gathering in the vicinity of the various fireworks launching barges and displays.

Background and Purpose

The Coast Guard is establishing temporary safety zones to allow for safe fireworks displays. All events occur within the Captain of the Port's, Portland, OR, Area of Responsibility (AOR). These events may result in a number of vessels congregating near fireworks launching barges and sites. The safety zones are needed to protect watercraft and their occupants from safety hazards associated with fireworks displays. These safety zones will be enforced by representatives of the Captain of the Port, Portland, Oregon.
