

exposure. Therefore, there are no significant radiological environmental impacts associated with the proposed action.

With regard to potential nonradiological impacts, the proposed action does not have a potential to affect any historic sites. It does not affect nonradiological plant effluents and has no other environmental impact. Therefore, there are no significant nonradiological environmental impacts associated with the proposed action.

Accordingly, the NRC concludes that there are no significant environmental impacts associated with the proposed action.

Environmental Impacts of the Alternatives to the Proposed Action

As an alternative to the proposed action, the staff considered denial of the proposed action (*i.e.*, the “no-action” alternative). Denial of the application would result in no change in current environmental impacts. The environmental impacts of the proposed action and the alternative action are similar.

Alternative Use of Resources

The action does not involve the use of any different resource than those previously considered in the Final Environmental Statement for Monticello dated November 1972.

Agencies and Persons Consulted

On January 6, 2004, the staff consulted with the Minnesota State official, Nancy Campbell of the Department of Commerce, regarding the environmental impact of the proposed action. The State official had no comments.

Finding of No Significant Impact

On the basis of the environmental assessment, the NRC concludes that the proposed action will not have a significant effect on the quality of the human environment. Accordingly, the NRC has determined not to prepare an environmental impact statement for the proposed action.

For further details with respect to the proposed action, see NMC’s letter of December 6, 2002, as supplemented September 24, 2003, and March 12, 2004. Documents may be examined, and/or copied for a fee, at the NRC’s Public Document Room (PDR), located at One White Flint North, Public File Area O1 F21, 11555 Rockville Pike (first floor), Rockville, Maryland. Publicly available records will be accessible electronically from the Agencywide Documents Access and Management System (ADAMS) Public Electronic

Reading Room on the Internet at the NRC Web site, <http://www.nrc.gov/reading-rm/adams.html>. SECURITIES AND EXCHANGE COMMISSION

Issuer Delisting; Notice of Application of Atlas Pipeline Partners, L.P., To Withdraw Its Common Units (Representing Limited Partnership interests), From Listing and Registration on the American Stock Exchange LLC, File No. 1-14998

May 19, 2004.

On May 7, 2004, Atlas Pipeline Partners, L.P., a Delaware corporation ("Issuer"), filed an application with the

Securities and Exchange Commission ("Commission"), pursuant to Section 12(d) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 12d2-2(d) thereunder,² to withdraw its common units (representing limited partnership interests) ("Security"), from listing and registration on the American Stock Exchange LLC ("Amex" or "Exchange").

The Managing Board of the Issuer's general partner ("Board") unanimously approved a resolution on May 3, 2004 to withdraw the Issuer's Security from listing on the Amex, and to list the Security on the New York Stock Exchange, Inc. ("NYSE"). The Board states that it is taking such action to avoid the direct and indirect costs, and the division of the market, resulting from dual listing on the Amex and NYSE. In addition, the Board determined that it is in the best interest of the Issuer to list the Security on the NYSE.

The Issuer stated in its application that it has met the requirements of Amex Rule 18 by complying with all applicable laws in the State of Delaware, in which it is incorporated, and with the Amex's rules governing an issuer's voluntary withdrawal of a security from listing and registration.

The Issuer's application relates solely to the withdrawal of the Security from listing on the Amex, and shall not affect its continued listing on the NYSE or its obligation to be registered under Section 12(b) of the Act.³

Any interested person may, on or before June 11, 2004, comment on the facts bearing upon whether the application has been made in accordance with the rules of the Amex, and what terms, if any, should be imposed by the Commission for the protection of investors. All comment letters may be submitted by either of the following methods:
