Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (the "Commission") has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

Regulation E (17 CFR 230.601–230.610a) exempts from registration under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*) ("Securities Act") securities issued by a small business investment company ("SBIC") which is registered under the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*) ("Investment Company Act") or a closed-end investment company that has elected to be regulated as a business development company ("BDC") under the Investment Company Act, so long as the aggregate offering price of all securities of the issuer that may be sold within a 12-month period does not exceed \$5,000,000 and certain other conditions are met. Rule 607 under Regulation E (17 CFR 230.607) entitled, "Sales material to be filed," requires sales material used in connection with securities offerings under Regulation E to be filed with the Commission at least five days (excluding weekends and holidays) prior to its use.¹ Commission staff reviews sales material filed under rule 607 for materially misleading statements and omissions. The requirements of rule 607 are designed to protect investors from the use of false or misleading sales material in connection with Regulation E offerings.

Respondents to this collection of information include SBICs and BDCs making an offering of securities pursuant to Regulation E. No filings were submitted to the Commission under rule 607 in 2019, 2020 or 2021. Accordingly, we estimate no annual

The requirements of this collection of information are mandatory. Responses will not be kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid control number.
