

to assure the availability to brokers, dealers, and investors of information with respect to quotations for and transactions in securities, and to assure the practicability of brokers executing investors' orders in the best market. The proposed rule change is designed to accomplish these objectives by ensuring that the Exchange will report its best bid and offer and executed trades to OPRA during the modified GTH holiday sessions in the same manner that they are reported currently during RTH and GTH,⁶² thereby providing public transparency of activity during the modified GTH holiday session.

Finally, the Commission also believes that the Exchange's proposed change to Choe Rule 5.7(e), which would allow Users to cancel all GTC or GTD orders until 11:45 a.m. on domestic holidays (observed) is also consistent with the Act. The Commission notes that Users are currently able to cancel orders and quotes prior to RTH starting at 7:30 a.m. for RTH Classes. The Commission believes that this proposed change should provide Users with additional flexibility to manage their GTC or GTD orders.

IV. Conclusion

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,⁶³ that the proposed rule change (SR-CBOE-2021-068) be, and hereby is, approved.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.⁶⁴

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit an extension for these two current collections of information to the Office of Management and Budget for approval, and to consolidate both collections of information within OMB Control No. 3235-0672.

The Commission invites comment on updates to its Electronic Data Collection System database (the Database), which will support information provided by members of the public who would like to file an online tip, complaint or referral (TCR) to the Commission. The Database will be a web based e-filed dynamic report based on technology that pre-populates and establishes a series of questions based on the data that the individual enters. The individual will then complete specific information on the subject(s) and nature of the suspicious activity, using the data elements appropriate to the type of complaint or subject. The information collection is voluntary. The public interface to the Database will be available using the agency's website, www.sec.gov. The Commission estimates that it takes a complainant, on average, 30 minutes to submit a TCR through the Database. Based on the receipt of an average of approximately 28,000 annual TCRs for the past three fiscal years, the Commission estimates that the annual reporting burden is 14,000 hours.

The Commission further invites comment on updates to Form TCR, which is a hard copy form adopted by the Commission in 2011.¹ Form TCR may be submitted by whistleblowers who wish to provide information to the Commission and its staff regarding potential violations of the federal securities laws. The Commission estimates that it takes a whistleblower, on average, one and one half hours to complete Form TCR. Based on the receipt of an average of approximately 560 annual Form TCR submissions for the past three fiscal years, the Commission estimates that the annual reporting burden of Form TCR is 840 hours.

Written comments are invited on: (a) Whether this collection of information is necessary for the proper performance of the functions of the agency, including

whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden imposed by the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Consideration will be given to comments and suggestions submitted in writing within 30 days of this publication. Please direct your written comments to David Bottom, Director/Chief Information Officer, Securities and Exchange Commission, c/o John R. Pezzullo, 100 F St. NE, Washington, DC 20549; or send an email to: PRA_Mailbox@sec.gov.

Dated: February 15, 2022.
