Manufacturer of Controlled Substances; Notice of Registration

By Notice dated December 4, 2000, and published in the Federal Register on January 10, 2001, (66 FR 2005), Organichem Corporation, 33 Riverside Avenue, Rensselaer, New York 12144, made application by renewal to the Drug Enforcement Administration (DEA) to be registered as a bulk manufacturer of the basic classes of controlled substances listed below:

Table with 2 columns: Drug, Schedule. Rows include Amphetamine (1100), Pentobarbital (2270), Methylphenidate (1724), Meperidine (9230).

The firm plans to manufacture bulk products for distribution to its customers.

No comments or objections have been received. DEA has considered the factors in Title 21, United States Code, section 823(a) and determined that the registration of Organichem Corporation to manufacture the listed controlled substances is consistent with the public interest at this time. DEA has investigated Organichem Corporation to

ensure that the company's registration is consistent with the public interest. The investigation included inspection and testing of the company's physical security systems, verification of the company's compliance with state and local laws, and a review of the company's background and history. Therefore, pursuant to 21 U.S.C. 823 and 28 CFR 0.100 and 0.104, the Deputy Assistant Administrator, Office of Diversion Control, hereby orders that the application submitted by the above firm for registration as a bulk manufacturer of the basic classes of controlled substances listed above is granted.

Dated: August 30, 2001.

Laura M. Nagel,

Deputy Assistant Administrator, Office of Diversion Control, Drug Enforcement Administration.

Importer of Controlled Substances; Notice of Registration

By Notice dated August 7, 2000, and published in the Federal Register on August 18, 2000, (66 FR 50568), Penick Corporation, 158 Mount Olivet Avenue, Newark, New Jersey 07114, made application to the Drug Enforcement Administration to be registered as an importer of the basic classes of controlled substances listed below:

Table with 2 columns: Drug, Schedule. Rows include Coca Leaves (9040), Poppy Straw (9650).

The firm plans to import the listed controlled substances for the manufacture of bulk pharmaceutical controlled substances and non-controlled substance flavor extract.

DEA has considered the factors in Title 21, United States Code, section 823(a) and determined that the registration of Penick Corporation to import the listed controlled substances is consistent with the public interest and with United States obligations under international treaties, conventions, or protocols in effect on May 1, 1971, at this time. DEA has investigated Penick Corporation to ensure that the company's registration is consistent with the public interest. This investigation included inspection and testing of the company's physical security systems, verification of the company's compliance with state and

local laws, and a review of the company's background and history. Therefore, pursuant to section 1008(a) of the Controlled Substances Import and Export Act and in accordance with Title 21, Code of Federal Regulations, § 1301.34, the above firm is granted registration as an importer of the basic classes of controlled substances listed above.

Dated: August 30, 2001.
