

2026, the human remains and associated funerary objects in this notice will become unclaimed human remains and associated funerary objects. Claims for disposition may be submitted by:

1. Any lineal descendant, Indian Tribe, or Native Hawaiian organization identified in this notice.

2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that they have priority for disposition.

Disposition of the human remains and associated funerary objects in this notice may occur on or after February 18, 2025. If competing claims for disposition are received, the Apache-Sitgreaves National Forests must determine the most appropriate claimant prior to disposition. Requests for joint disposition of the human remains and associated funerary objects are considered a single request and not competing requests. The Apache-Sitgreaves National Forests is responsible for sending a copy of this notice to the lineal descendants, Indian Tribes, and Native Hawaiian organizations identified in this notice and to any other consulting parties.

#### Abstract of Information Available

Based on the information available, human remains representing, at least, one individual have been reasonably identified. No associated funerary objects are present. Human remains were discovered and removed on December 1, 2020 in Hell Canyon (Chino Valley Ranger District, Yavapai County, Arizona). PNF Staff traveled to the discovery location and found two additional bone fragments and those were stabilized near their original location. The discovery location was assigned a site number, AR-03-09-01-1965, and is being monitored by PNF archaeologists. The human remains are currently secured in a safe location away from public view at the Verde Valley Archaeological Center, Camp Verde, Arizona.

Based on the information available, human remains representing, at least, one individual have been reasonably identified. No associated funerary objects are present. Human remains of one individual were removed from an eroding cutbank near the Verde River (Chino Valley Ranger District, Yavapai County, Arizona) in 2014. Additional human remains were observed deeper in the cutbank and were stabilized in place. The discovery location was assigned a site number, AR-03-09-01-1841, and is being monitored by PNF archaeologists. The human remains are currently secured in a safe location away from public view at the Sharlot Hall Museum, Prescott, Arizona.
