

- including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and/or
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of responses.

Written comments and recommendations for this information collection should be submitted within 30 days of the publication of this notice on the following website www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function and entering either the title of the information collection or the OMB Control Number 1140–0123. This information collection request may be viewed at www.reginfo.gov. Follow the instructions to view Department of Justice, information collections currently under review by OMB.

DOJ seeks PRA authorization for this information collection for three (3) years. OMB authorization for an ICR cannot be for more than three (3) years without renewal. The DOJ notes that information collection requirements submitted to the OMB for existing ICRs receive a month-to-month extension while they undergo review.

Overview of This Information Collection

1. *Type of Information Collection:* Revision of a previously approved collection.

2. *Title of the Form/Collection:* Personal Identity Verification Form.

3. *Agency form number, if any, and the applicable component of the Department of Justice sponsoring the collection:* ATF Form 8620.40.

Component: Bureau of Alcohol, Tobacco, Firearms and Explosives, U.S. Department of Justice.

4. *Affected public who will be asked or required to respond, as well as a brief abstract:*

Affected Public: Federal Government.

Abstract: Candidates tentatively selected for positions must meet basic qualification requirements before accessing ATF information, IT systems, and facilities. ATF conducts personnel security and suitability background investigations for this purpose, in accordance with IRTPA, HSPD–12,

Trusted Workforce 2.0, and other requirements. A first step in this process is verifying the person’s identity, which this form documents. Information Collection (IC) OMB 1140–0123 is being revised to reflect that the number of applicants has decreased from 2,000 to 1,000 due to budget cuts affecting positions available for applicants. This has resulted in a corresponding decrease in annual burden hours from 160 to 80.

5. *Obligation to Respond:* The obligation to respond is mandatory per the Intelligence Reform and Terrorism Prevention Act of 2004, 5 CFR part 736.

6. *Total Estimated Number of Respondents:* 1,000 respondents.

7. *Estimated Time per Respondent:* 5 minutes.

8. *Frequency:* Once annually.

9. *Total Estimated Annual Time Burden:* 80 total hours.

10. *Total Estimated Annual Other Costs Burden:* \$0.

2. *Title of the Form/Collection:* Request for Temporary Eligibility to Hold a Sensitive Position.

3. *Agency form number, if any, and the applicable component of the Department of Justice sponsoring the collection:* ATF Form 8620.69.

Component: Bureau of Alcohol, Tobacco, Firearms and Explosives, U.S. Department of Justice.

4. *Affected public who will be asked or required to respond, as well as a brief abstract:*

Affected Public: Federal Government.

Abstract: ATF uses ATF Form 8620.69, Request for Temporary Eligibility to Hold a Sensitive Position, to notify candidates of the option to receive temporary employment after a certain stage in the background check process and request their decision. ATF also uses the form to collect information to determine if the candidate (respondent) can be granted temporary eligibility to hold a sensitive position prior to completion and adjudication of their full background investigation. Information Collection (IC) OMB 1140-0122 will no longer include the cost of mailing as it can now be filled, signed, and submitted electronically. Consequentially, the total cost of this IC has decreased from \$2,000 to \$0.
