

IV. Sequestration Order

As shown on the scorecards, the budgetary effects of PAYGO legislation enacted in the second session of the 113th Congress, combined with the balances left on the scorecard from previous sessions of the Congress, resulted in net savings on both the 5-year and the 10-year scorecard in the budget year, which is 2015 for the purposes of this Report. Because the costs for the budget year, as shown on the scorecards, do not exceed savings for the budget year, there is no “debit” on either scorecard under section 3 of the PAYGO Act, 2 U.S.C. 932, and there is no need for a sequestration order.

The savings shown on the scorecards for 2015 will be removed from the scorecards that are used to record the budgetary effects of PAYGO legislation enacted in the first session of the 114th Congress. The totals shown in 2016 through 2024 will remain on the scorecards and will be used in determining whether a sequestration order will be necessary in the future. All of the years of the 5-year and 10-year scorecards that will carry over into the first session of the 114th Congress will show balances of savings except for the year 2016 on the 5-year scorecard, which will show costs of \$440 million. Because 2016 will be the budget year in the first session of the 114th Congress, if the costs in that year on the 5-year scorecard are not offset by savings from PAYGO legislation enacted during the session, the PAYGO Act would require a sequestration order to be issued 14 days after the end of the session.

SECURITIES AND EXCHANGE COMMISSION

Proposed Collection; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE., Washington, DC 20549–2736.

Extension:

Rule 23c–1, OMB Control No. 3235–0260, SEC File No. 270–253.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520), the Securities and Exchange Commission (the “Commission”) is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Rule 23c–1(a) under the Investment Company Act (17 CFR 270.23c–1(a)) permits a closed-end fund to repurchase its securities for cash if, in addition to the other requirements set forth in the rule, the following conditions are met:

(i) Payment of the purchase price is accompanied or preceded by a written confirmation of the purchase (“written confirmation”); (ii) the asset coverage per unit of the security to be purchased is disclosed to the seller or his agent (“asset coverage disclosure”); and (iii) if the security is a stock, the fund has, within the preceding six months, informed stockholders of its intention to purchase stock (“six month notice”). Commission staff estimates that 78 closed-end funds undertake a total of 702 repurchases annually under rule 23c–1.¹ Staff estimates further that, with respect to each repurchase, each fund spends 2.5 hours to comply with the rule's written confirmation, asset coverage disclosure and six month notice requirements. Thus, Commission staff estimates the total annual respondent reporting burden is 1755 hours.² Commission staff further estimates that the cost of the hourly burden per repurchase is \$295 (one half hour of a compliance attorney's time at \$334 per hour,³ and two hours of clerical time at \$64 per hour⁴). The total annual cost for all funds is estimated to be \$207,090.⁵

In addition, the fund must file with the Commission a copy of any written solicitation to purchase securities given by or on behalf of the fund to 10 or more persons. The copy must be filed as an exhibit to Form N–CSR (17 CFR 249.331 and 274.128).⁶ The burden associated

¹ The number of closed-end funds that undertake repurchases annually under rule 23c–1 is based on information provided in response to Item 9 of Form N–CSR from December 30, 2013 through December 30, 2014. Although 112 closed-end funds made disclosures regarding “publicly announced” repurchase plans in response to Item 9, not all repurchases are made pursuant to rule 23c–1. We estimate that approximately 30% of such closed-end funds have not made repurchases pursuant to rule 23c–1. Therefore, our estimate does not include all 112 funds that made disclosures of publicly announced repurchases under Item 9, but only a subset thereof.

² This estimate is based on the following calculation: 702 repurchases x 2.5 hours per repurchase = 1755 hours.

³ The \$334/hour figure for a compliance attorney is from SIFMA's Management & Professional Earnings in the Securities Industry 2013, modified by Commission staff to account for an 1800-hour work-year and multiplied by 5.35 to account for bonuses, firm size, employee benefits and overhead.

⁴ The \$64/hour figure for a compliance clerk is from SIFMA's Office Salaries in the Securities Industry 2013, modified by Commission staff to account for an 1800-hour work-year and multiplied by 2.93 to account for bonuses, firm size, employee benefits and overhead.

⁵ This estimate is based on the following calculation: 702 repurchases x \$295 per repurchase = \$207,090.

⁶ In addition, Item 9 of Form N–CSR requires closed-end funds to disclose information similar to the information that was required in Form N–23C–1, which was discontinued in 2004.
