SUPPLEMENTARY INFORMATION: The 2010 CAC was established in accordance with the Federal Advisory Committee Act (Title 5, United States Code (U.S.C.), Appendix 2). The following provides information about the Committee, membership, and nomination process:

Objectives and Duties

1. The 2010 CAC considers the needs of the decennial census from the perspective of outside data users and other organizations having a substantial interest and expertise in the conduct and outcome of the decennial. The Committee will provide advice on how best the Census Bureau can effectively and efficiently accomplish its decennial goals and objectives.

2. The 2010 CAC addresses policy, research, and technical issues related to the design and implementation of the 2010 decennial census, including the American Community Survey.

3. The Committee functions solely as an advisory body under the Federal Advisory Committee Act.

Membership

1. The Secretary of Commerce appoints the member organizations and designates the Chair and Vice-Chair of the Committee.

2. The 2010 CAC consists of a Chair, Vice-Chair, and a designated representative from each member organization. The 2010 CAC is comprised of up to twenty (20) member organizations. Member organizations represent data users, general governmental entities, technology-based organizations, and entities with expertise in the statutory and constitutional uses of census data, including redistricting. Membership also will include ex-officio members representing U.S. Senate and House of Representatives' Committees with census oversight responsibilities. A representative from the Census Advisory Committees on Race and Ethnic Populations also serves as ex-

officio member. Ex-officio members serve in a non-voting capacity.

3. Committee members are selected in accordance with applicable Department of Commerce guidelines. The Committee's composition should reflect a balance of viewpoints and perspectives, considering such factors as geography, diversity in the sectors represented (*i.e.*, business and industry, academia, consumers, etc.), and the public-at-large. The size and the scope of the member organization also are considered.

4. Committee members should have relevant backgrounds and experience to significantly assist and/or contribute to the overall functions, tasks, and missions of the decennial census. The members should bring diverse perspectives and be able to provide advice on policy and technical issues affecting the goals of ongoing decennial programs, surveys, and initiatives.

5. The Committee has the fewest number of members necessary to accomplish the objectives of the Charter. Committee membership will not duplicate other organizations, interests, or communities already represented on existing census advisory committees or census consultation groups (*i.e.*, Census Information Centers or State Data Centers).

6. Committee members report to the Director of the Census Bureau.

Miscellaneous

1. Members of the Committee serve without compensation, but the Census Bureau will, upon request, reimburse travel expenses, as authorized by 5 U.S.C. 5701, *et seq.*, dealing with travel and subsistence expenses.

2. The Committee meets at least once a year. Meetings are one to two days in duration.

3. Committee meetings are open to the public.

Nomination Information

1. The Census Bureau is seeking nominations for membership on the 2010 CAC to include organizations that are knowledgeable about issues related to the statutory and/or constitutional uses of the census data, general governmental entities, data users, and research and technology-based organizations.

2. Member organizations shall initially serve a staggered term of either two or three years. Upon completion of the initial terms, all subsequent terms shall be three years. Members may be invited to serve a second subsequent term contingent upon the organization's active participation in advisory committee activities, overall advisory

committee needs for that organization's expertise and specialized advice, and the status and schedule of decennial planning activities and implementation.

3. Nominations of organizations may come from individuals or organizations. Organizations also may self-nominate. A summary of the organization's qualifications and the experience that qualifies it for membership should be included in the nomination letter. Nominated organizations must be able to actively participate in the tasks of the Committee, including, but not limited to regular meeting attendance, review of materials, and participation in conference calls, working groups, and special committee activities. *All DCAC members included under the previous charter must apply for membership under the new 2010 CAC charter and structure.*

4. The Department of Commerce is committed to equal opportunity in the workplace and seeks diverse Committee membership.

AGENCY: NAFTA secretariat, United States Section, International Trade Administration, Department of Commerce.

ACTION: Notice of decision of NAFTA Panel.

SUMMARY: On March 10, 2005, the NAFTA Panel issued its decision in the matter of Certain Durum Wheat and Hard Red Spring Wheat CVD determination from Canada, Secretariat File No. USA-CDA-2003-1904-05.

FOR FURTHER INFORMATION CONTACT: Caratina L. Alston, United States Secretary, NAFTA Secretariat, Suite 2061, 14th and Constitution Avenue, Washington, DC 20230, (202) 482-5438.

SUPPLEMENTARY INFORMATION: Chapter 19 of the North American Free-Trade Agreement ("Agreement") establishes a mechanism to replace domestic judicial review of final determinations in antidumping and countervailing duty cases involving imports from a NAFTA country with review by independent binational panels. When a Request for

Panel Review is filed, a panel is established to act in place of national courts to review expeditiously the final determination to determine whether it conforms with the antidumping or countervailing duty law of the country that made the determination.

Under Article 1904 of the Agreement, which came into force on January 1, 1994, the Government of the United States, the Government of Canada and the Government of Mexico established *Rules of Procedure for Article 1904 Binational Panel Reviews* ("Rules"). These Rules were published in the **Federal Register** on February 23, 1994 (59 FR 8686). The panel review in this matter was conducted in accordance with these Rules.

Background Information: On October 3, 2003, the Government of Canada filed a First Request for Panel Review with the United States Section of the NAFTA Secretariat pursuant to Article 1904 of the North American Free Trade Agreement. Second requests were filed on behalf of the Canadian Wheat Board, the Government of Saskatchewan, and the Government of Alberta, respectively. Panel review was requested of the final affirmative Countervailing Duty determination made by the United States Department of Commerce, International Trade Administration, respecting Certain Durum Wheat and Hard Red Spring Wheat from Canada. This determination was published in the **Federal Register**, (68 FR 52747) on September 5, 2003. The NAFTA Secretariat assigned Case Number USA-CDA-2003-1904-05 to this request.

Panel Decision: The Panel affirmed in part and remanded in part. The panel determined that:

(1) The Commission's findings and determinations concerning the comprehensive financial risk coverage program are not in accordance with law and remanded this issue to the Commission for action consistent with its opinion;

(2) The Panel upheld the Commission's findings and determinations concerning the provision of government-owned and leased railcars in all respects and dismiss the appeal on this issue.

The Panel ordered the Commission to issue a determination on remand consistent with the instructions set forth in the Panel's decision within 90 days of the decision or not later than June 8, 2005.

Dated: March 14, 2005.

Announcement of a Meeting To Explore Feasibility of Establishing a NIST/Industry Consortium on Fire Resistive Materials for Structural Steel

AGENCY: National Institute of Standards and Technology, Commerce.

ACTION: Notice of public meeting.

SUMMARY: The National Institute of Standards and Technology (NIST) invites interested parties to attend a pre-consortium meeting on July 14, 2005 to be held on the NIST campus. The goal of the one-day meeting is to evaluate industry interest in creating a NIST/industry consortium focused on the materials science of fire resistive materials for structural steel. The goals of such a consortium would include the development of measurement methods for the thermal and adhesion properties of fire resistive materials, tools for the characterization of their three-dimensional microstructure, and linkages between microstructure and the above-mentioned performance properties. The consortium would be supervised and administered by NIST. Consortium research and development would be conducted by NIST staff members along with at least one technical representative from each participating member company. It is estimated that membership fees for participation in the consortium would be on the order of Twenty-five Thousand (\$25,000) per year. The initial term of the consortium is intended to be three years.

DATES: The meeting will take place on July 14, 2005 at 8 a.m. to 5 p.m. Interested parties should contact NIST to confirm their interest at the address, telephone number or FAX number shown below.

ADDRESSES: The meeting will take place at the National Institute of Standards and Technology (NIST), 100 Bureau Drive, Administration Building (101), Lecture Room B, Gaithersburg, MD 20899.

FOR FURTHER INFORMATION CONTACT: Dale P. Bentz, Emmett P. O'Brien, or Christopher C. White, Building Research (226), Room B362, National Institute of Standards and Technology (NIST), Gaithersburg, MD 20899-8615.
