Circular No. A–76 (Revised)
Transmittal Memorandum No. 24

To the Heads of Executive Departments and Agencies

Subject: Performance of Commercial Activities.

This Transmittal Memorandum updates the annual federal pay raise assumptions and inflation factors used for computing the government's in-house personnel and non-pay costs, as generally provided in the President's Budget for Fiscal Year 2003.

The non-pay inflation factors are for purposes of A–76 cost comparison determinations only. They reflect the generic non-pay inflation assumptions used to develop the fiscal year 2003 budget baseline estimates required by law. The law requires that a specific inflation factor (GDP FY/FY chained price index) be used for this purpose. These inflation factors should not be viewed as estimates of expected inflation rates for major long-term procurement items or as an estimate of inflation for any particular agency's non-pay purchases mix.

Agencies are reminded that OMB Circular No. A–76, Transmittal Memoranda 1 through Transmittal Memorandum 14 are canceled. Transmittal Memorandum No. 15 provides the Revised Supplemental Handbook, and is dated March 27, 1996 (Federal Register, April 1, 1996, pages 14338–14346). Guidelines for Ensuring and Maximizing the Quality, Objectivity, Utility, and Integrity of Information Disseminated by Federal Agencies

AGENCY: Office of Management and Budget, Executive Office of the President.

ACTION: Notice.

SUMMARY: On January 3, 2002, OMB published Guidelines for Ensuring and Maximizing the Quality, Objectivity, Utility, and Integrity of Information Disseminated by Federal Agencies. Paragraph IV.3 of these Guidelines calls upon each agency to ''prepare a draft report, no later than April 1, 2002, providing the agency's information quality guidelines and explaining how such guidelines will ensure and maximize the quality, objectivity, utility, and integrity of information, including statistical information disseminated by the agency.'' Paragraph IV.4 calls upon each agency to ''publish a notice of availability of this draft report in the **Federal Register**, and post this report on the agency's website, to provide an opportunity for public comment.'' This notice announces an extension of that April 1, 2002, deadline to May 1, 2002. Agencies should now ''prepare a draft report, no later than May 1, 2002,'' providing the material called for in these Guidelines.

DATES: *Effective Date:* March 4, 2002.

FOR FURTHER INFORMATION CONTACT: Brooke J. Dickson, Office of Information and Regulatory Affairs, Office of Management and Budget, Washington, DC 20503. Telephone (202) 395–3785 or by e-mail to *informationquality@omb.eop.gov.*

SUPPLEMENTARY INFORMATION: The Office of Management and Budget (OMB) published proposed guidelines in the **Federal Register** on June 28, 2001 (66 FR 34489). This extension of the April 1, 2002, deadline to May 1, 2002, provides agencies additional time to develop and prepare their draft guidelines. While some agencies may be ready to release their draft guidelines for public review and comment prior to May 1, 2002, others have requested additional time.

[Release No. 34–45471; File No. SR–Amex–2001–56]

Self-Regulatory Organizations; American Stock Exchange LLC; Order Granting Accelerated Approval to Proposed Rule Change Relating to the Recording of Images, Sounds, or Data on the Trading Floor of the Exchange

February 22, 2002.

On August 1, 2001, the American Stock Exchange LLC (''Amex'' or the ''Exchange'') filed with the Securities and Exchange Commission (''SEC'' or ''Commission''), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (''Act'') [1] and Rule 19b–4 thereunder,[2] a proposed rule change amending Article II, Section 3 of the Amex Constitution, to control the recording of images, sound, or data on the Trading Floor. On January 15, 2002, the Amex submitted Amendment No. 1 to the proposed rule change.[3]

The proposed rule change, as amended, was published for comment in the **Federal Register** on February 1, 2002.[4] The Commission received no comments on the proposal.

After careful review, the Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities exchange,[5] and, in particular, the requirements of Section 6 of the Act[6] and the rules and regulations thereunder. The Commission finds specifically that the proposed rule change is consistent with Section 6(b)(5)
