### National Park Service

#### Concession Contracts and Permits: Expiring Contracts; Extension For up to One Year

**AGENCY:** National Park Service, Interior.

**ACTION:** Public notice.

**SUMMARY:** Pursuant to 36 CFR 51.23, public notice is hereby given that the

National Park Service proposes to extend the following expiring concession contracts for a period of up to one year, or until such time as a new contract is executed, whichever occurs sooner.

**SUPPLEMENTARY INFORMATION:** All of the listed concession authorizations will expire by their terms on or before December 31, 2002. The National Park Service has determined that the proposed short-term extensions are necessary in order to avoid interruption of visitor services and has taken all reasonable and appropriate steps to consider alternatives to avoid such interruption. These extensions will allow the National Park Service to complete and issue prospectuses leading to the competitive selection of concessioners for new long-term concession contracts covering these operations.

**AGENCY:** National Park Service, Interior.

**ACTION:** Public notice.

**SUMMARY:** Pursuant to the terms of existing concession permits, with the exception of construction on National Park Service lands, public notice is hereby given that the National Park Service intends to provide visitor services under the authority of a temporary concession contract with a term of up to one year from the date of permit expirations.

**SUPPLEMENTARY INFORMATION:** The permits listed below have been extended to the maximum allowable under 36 CFR 51.23. Under the provisions of current concession permits, with one exception, and pending the development and public solicitation of a prospectus for a new concession permit, the National Park Service authorizes continuation of visitor services under a temporary concession contract for a period of up to one year from the expiration of the current concession permit. The exception precludes construction on National Park Service lands, regardless of whether the current permit authorizes such activity. The temporary contract does not affect any rights with respect to selection for award of a new concession contract.

Notice of Intent To Prepare an  
Environmental Impact Statement**

*Summary:* In accord with § 102(2)(C) of the National Environmental Policy Act (42 U.S.C. 4321 *et seq.*), the National Park Service—and in coordination with Marin County (California) and the California Department of Transportation—is initiating a conservation planning and environmental impact analysis process regarding transportation access and

facility improvements to the roadway network between U.S. Highway 101 (at the U.S. Highway 101-State Highway 1 interchange) and Stinson Beach (Pacific Ocean). This roadway network is one of the principal travel corridors connecting the urban centers of Marin, San Francisco and the East Bay with National Park sites in southwest Marin County and the State Park site of Mount Tamalpais (the national park sites include the Muir Woods National Monument, Muir Beach, Stinson Beach, and Tennessee Valley). The Comprehensive Transportation Management Plan Environmental Impact Statement (EIS) will assess alternatives for improving access to and between various park sites to reduce automobile impacts.
