Defense Logistics Agency

Notice of Proposed Solicitation for Cooperative Agreement Applications

AGENCY: Defense Logistics Agency, DOD.

ACTION: Proposed solicitation for cost sharing cooperative agreement applications.

SUMMARY: On March 17, 1999, the Defense Logistics Agency (DLA) issued a solicitation for cooperative agreement

applications (SCAA) to assist state and local governments and other nonprofit eligible entities in establishing or maintaining procurement technical assistance centers (PTACs) pursuant to chapter 142, title 10, United States Code. These centers help business firms market their goods and service to the Department of Defense (DoD), other federal agencies, and state and/or local government agencies. Cooperative agreement awards made as a result of applications submitted in response to this solicitation contained provisions for the award of additional option awards through 2002. DLA now intends to issue another solicitation as a follow-on action to the March 17, 1999, SCAA in order to maintain continuity of the Procurement Technical Assistance Program. This solicitation, when issued, will govern the submission of applications for calendar years 2003 through 2007, inclusive. This proposed SCAA is available for review on the Internet Web site: <http://www.dla.mil/db/scaa2003.pdf>. Printed copies are not available for distribution.

You are invited to submit written comments concerning this proposed SCAA to: Headquarters, Defense Logistics Agency, Office of Small and Disadvantaged Business Utilization, 8727 John J. Kingman Road, Suite 1127, Ft. Belvoir, VA 22060-6221. Attn: Grants Officer.

All comments must be received by January 31, 2003, in order for them to be considered. DLA intends to post the proposed SCAA, when finalized, on the Internet in early March 2003. A future notice to be published in the **Federal Register** will announce this posting and the website address to be utilized in accessing the final SCAA and to submit applications.

FOR FURTHER INFORMATION CONTACT: Ms. Diana Maykowskyj at (703) 767-1656.

Anthony J. Kuders,

Program Manager, DoD Procurement Technical Assistance Program.

DEPARTMENT OF DEFENSE

Department of the Army; Corps of Engineers

Intent To Prepare a Joint Environmental Impact Statement and Environmental Impact Report for the Sacramento and San Joaquin River Basins Comprehensive Study, Hamilton City Flood Damage Reduction and Ecosystem Restoration, Glenn County, CA

AGENCY: Department of the Army, U.S. Army Corps of Engineers, DoD.

ACTION: Notice of intent.

SUMMARY: A combined Feasibility Report and joint Environmental Impact Statement/Environmental Impact Report (EIS/EIR) will be prepared to satisfy the requirements of the National Environmental Policy Act and the California Environmental Quality Act. The U.S. Army Corps of Engineers (Corps), Sacramento District, will serve as the Federal lead agency for the EIS with The Reclamation Board of the State of California (the Board), the non-federal sponsor, serving as the State lead agency for the EIR. The combined Feasibility Report and joint EIS/EIR will evaluate the environmental effects of a potential flood damage reduction and ecosystem restoration project at Hamilton City. The Hamilton City Flood Damage Reduction and Ecosystem Restoration is the first site-specific evaluation to be initiated as a result of the Sacramento and San Joaquin River Basins Comprehensive Study conducted by the Corps and the Board. Concurrently with the release of this notice of intent (NOI), the Board is issuing a notice of preparation (NOP) to initiate the CEQA process.

Scoping and public involvement activities were conducted under the original NOI issued for the Comprehensive Study. A series of scoping and outreach meetings were held in February through May 1998, November through December 1998, February 1999, June 1999, October through November 2001, and August through September 2002. Development of the EIS/EIR for the Comprehensive Study was at a programmatic level with the preliminary site-specific evaluation for Hamilton City Flood Damage Reduction and Ecosystem Restoration packaged as an attachment to the main programmatic document. The Comprehensive Study has since discontinued the environmental documentation effort and therefore this NOI is being submitted to establish that the Feasibility Report and EIS/EIR for Hamilton City Flood Damage Reduction
