

license and that the public has the opportunity to comment on the application prior to the FCC's action. The Commission's staff use the data from FCC Form 302-CA to confirm that the station has met the eligibility standards to convert their licenses to Class A status. Data are then extracted from FCC Form 302-CA for inclusion in the station's operating license.

Common Carrier Bureau Seeks Comment on Western Wireless's Supplemental Filing Relating to Its Petition for Designation as an Eligible Telecommunications Carrier on the Crow Reservation in Montana

AGENCY: Federal Communications Commission.

ACTION: Notice; solicitation of comments.

SUMMARY: In a Public Notice in this proceeding released on October 13, 2000, the Common Carrier Bureau sought comment on Western Wireless' petition and supplemental filing seeking

designation of eligibility to receive federal universal service support for a service area comprised of the Crow Reservation in Montana.

DATES: Comments are due on or before November 24, 2000. Reply comments are due on or before December 11, 2000.

ADDRESSES: See **SUPPLEMENTARY INFORMATION** section for where and how to file comments.

FOR FURTHER INFORMATION CONTACT: Richard D. Smith (202) 418-7400 TTY: (202) 418-0484.

SUPPLEMENTARY INFORMATION: On August 4, 1999, Western Wireless filed with the Commission a petition under section 214(e)(6) seeking a designation of eligibility to receive federal universal service support for a service area comprised of the Crow Reservation in Montana. Specifically, Western Wireless contends that telecommunications service offered on the Crow Reservation is not subject to the jurisdiction of the state commission. On September 10, 1999, the Common Carrier Bureau released a Public Notice seeking comment on Western Wireless' petition for designation as an eligible telecommunications carrier (ETC). In response, the Montana Commission filed comments asking this Commission to dismiss the petition and allow the Montana Commission to consider the designation request.

In the *Twelfth Report and Order*, 65 FR 47941, August 4, 2000, this Commission concluded that it would resolve the threshold question of whether Western Wireless is subject to the jurisdiction of the Montana Commission for purposes of determining eligibility for federal support for services provided on the Crow Reservation. To permit Western Wireless a fair opportunity to present its case consistent with the guidance provided in the *Twelfth Report and Order*, the Commission allowed Western Wireless an opportunity to supplement its claim that the Montana Commission lacks jurisdiction to make the eligibility designations for service provided on the Crow Reservation.

On October 2, 2000, Western Wireless filed a Jurisdictional Supplement in response to the Commission's directive in the *Twelfth Report and Order* to support its contention that the state commission does not have jurisdiction to designate Western Wireless as an eligible telecommunications carrier on the Crow Reservation. Consistent with the procedures outlined in the *Twelfth Report and Order*, the Montana Commission and any other interested party shall have 30 days after publication of this Public Notice in the
