AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

ACTION: Notice; correction.

SUMMARY: The U.S. Department of Commerce (Commerce) published notice in the **Federal Register** of December 27, 2023, in which Commerce provided notice of a court decision which was not in harmony with the results of the 2019–2020 antidumping duty (AD) administrative review of certain oil country tubular goods from Korea and announced amended final results for that administrative review. This notice contained incorrect information concerning the cash deposit requirements.

SUPPLEMENTARY INFORMATION:

Correction

In the **Federal Register** of December 27, 2023, in FR Doc. 2023–28526, on page 89371, in the first column, correct the paragraph entitled “Cash Deposit Requirements” to read as follows: Because AJU Besteel, Husteel, Hyundai Steel, and NEXTEEL do not have a superseding cash deposit rate, *i.e.*, there have been no final results published in a subsequent administrative review of certain oil country tubular goods from Korea,¹ and because of the change to the

rate assigned to all other producers and exporters of subject merchandise, Commerce will issue revised cash deposit instructions to U.S. Customs and Border Protection.

Background

On December 27, 2023, Commerce published in the **Federal Register** the *OCTG from Korea Notice of Amended Final Results*.² This notice contained incorrect information concerning the cash deposit requirements.
