Center for Scientific Review; Notice of Closed Meetings

Pursuant to section 10(d) of the Federal Advisory Committee Act, as amended (5 U.S.C. Appendix 2), notice is hereby given of the following meetings.

The meetings will be closed to the public in accordance with the provisions set forth in sections 552b(c)(4) and 552b(c)(6), Title 5 U.S.C., as amended. The grant applications and the discussions could disclose confidential trade secrets or commercial property such as patentable material, and personal information concerning individuals associated with the grant applications, the disclosure of which

would constitute a clearly unwarranted invasion of personal privacy.

Name of Committee: Center for Scientific Review Special Emphasis Panel, S. aureus and TNFa Signaling.

Date: April 4, 2005.

Time: 3 p.m. to 4 p.m.

Agenda: To review and evaluate grant applications.

Place: National Institutes of Health, 6701 Rockledge Drive, Bethesda, MD 20892, (Telephone Conference Call).

Contact Person: Timothy J. Henry, PhD, Scientific Review Administrator, Center for Scientific Review, National Institutes of Health, 6701 Rockledge Drive, Room 3212, MSC 7808, Bethesda, MD 20892, (301) 435-1147, henryt@csr.nih.gov.

This notice is being published less than 15 days prior to the meeting due to the timing limitations imposed by the review and funding cycle.

Name of Committee: Center for Scientific Review Special Emphasis Panel, Cone-Beam CT.

Date: April 5, 2005.

Time: 2 p.m. to 3 p.m.

Agenda: To review and evaluate grant applications.

Place: National Institutes of Health, 6701 Rockledge Drive, Bethesda, MD 20892, (Telephone Conference Call).

Contact Person: Lee Rosen, PhD, Scientific Review Administrator, Center for Scientific Review, National Institutes of Health, 6701 Rockledge Drive, Room 5116, MSC 7854, Bethesda, MD 20892, (301) 435-1171, rosenl@csr.nih.gov.

This notice is being published less than 15 days prior to the meeting due to the timing limitations imposed by the review and funding cycle.

Name of Committee: Center for Scientific Review Special Emphasis Panel, Tuberculosis Immunity.

Date: April 6, 2005.

Time: 11 a.m. to 12 p.m.

Agenda: To review and evaluate grant applications.

Place: National Institutes of Health, 6701 Rockledge Drive, Bethesda, MD 20892, (Telephone Conference Call).

Contact Person: Timothy J. Henry, PhD, Scientific Review Administrator, Center for Scientific Review, National Institutes of Health, 6701 Rockledge Drive, Room 3212, MSC 7808, Bethesda, MD 20892, (301) 435-1147, henryt@csr.nih.gov.

This notice is being published less than 15 days prior to the meeting due to the timing limitations imposed by the review and funding cycle.

Name of Committee: Center for Scientific Review Special Emphasis Panel, Shigella-Host Interactions.

Date: April 6, 2005.

Time: 2:20 p.m. to 3:20 p.m.

Agenda: To review and evaluate grant applications.

Place: National Institutes of Health, 6701 Rockledge Drive, Bethesda, MD 20892, (Telephone Conference Call).

Contact Person: Timothy J. Henry, PhD, Scientific Review Administrator, Center for Scientific Review, National Institutes of

Health, 6701 Rockledge Drive, Room 3212, MSC 7808, Bethesda, MD 20892, (301) 435-1147, henryt@csr.nih.gov.

This notice is being published less than 15 days prior to the meeting due to the timing limitations imposed by the review and funding cycle.

Name of Committee: Center for Scientific Review Special Emphasis Panel, Member Conflict: Ehrlichiosis surveillance and Epidemiology.

Date: April 7, 2005.

Time: 2 p.m. to 3 p.m.

Agenda: To review and evaluate grant applications.

Place: National Institutes of Health, 6701 Rockledge Drive, Bethesda, MD 20892, (Telephone Conference Call).

Contact Person: Timothy J. Henry, PhD, Scientific Review Administrator, Center for Scientific Review, National Institutes of Health, 6701 Rockledge Drive, Room 3212, MSC 7808, Bethesda, MD 20892, (301) 435-1147, henryt@csr.nih.gov.

This notice is being published less than 15 days prior to the meeting due to the timing limitations imposed by the review and funding cycle.

Name of Committee: Center for Scientific Review Special Emphasis Panel, Member Conflict: Insect Immune System.

Date: April 7, 2005.

Time: 3 p.m. to 4 p.m.

Agenda: To review and evaluate grant applications.

Place: National Institutes of Health, 6701 Rockledge Drive, Bethesda, MD 20892, (Telephone Conference Call).

Contact Person: Timothy J. Henry, PhD, Scientific Review Administrator, Center for Scientific Review, National Institutes of Health, 6701 Rockledge Drive, Room 3212, MSC 7808, Bethesda, MD 20892, (301) 435-1147, henryt@csr.nih.gov.

This notice is being published less than 15 days prior to the meeting due to the timing limitations imposed by the review and funding cycle.

Name of Committee: Center for Scientific Review Special Emphasis Panel, New Role for Bacterial Redox Proteins.

Date: April 8, 2005.

Time: 1:30 p.m. to 2:30 p.m.

Agenda: To review and evaluate grant applications.

Place: National Institutes of Health, 6701 Rockledge Drive, Bethesda, MD 20892, (Telephone Conference Call).

Contact Person: Timothy J. Henry, PhD, Scientific Review Administrator, Center for Scientific Review, National Institutes of Health, 6701 Rockledge Drive, Room 3212, MSC 7808, Bethesda, MD 20892, (301) 435-1147, henryt@csr.nih.gov.

This notice is being published less than 15 days prior to the meeting due to the timing limitations imposed by the review and funding cycle.

Name of Committee: Center for Scientific Review Special Emphasis Panel, Oral, Dental and Craniofacial Sciences Special Review.

Date: April 18, 2005.

Time: 1 p.m. to 2 p.m.

Agenda: To review and evaluate grant applications.

Place: National Institutes of Health, 6701 Rockledge Drive, Bethesda, MD 20892, (Telephone Conference Call).

Contact Person: J. Terrell Hoffeld, PhD, DDS, Dental Officer, USPHS, Center for Scientific Review, National Institutes of Health, 6701 Rockledge Drive, Room 4116, MSC 7816, Bethesda, MD 20892, (301) 435-1781, hoffeldt@csr.nih.gov.

Name of Committee: Center for Scientific Review Special Emphasis Panel, Pneumococcal Pathogenesis.

Date: April 20, 2005.

Time: 2:30 p.m. to 3:30 p.m.

Agenda: To review and evaluate grant applications.

Place: National Institutes of Health, 6701 Rockledge Drive, Bethesda, MD 20892, (Telephone Conference Call).

Contact Person: Melody Mills, PhD, Scientific Review Administrator, Center for Scientific Review, National Institutes of Health, 6701 Rockledge Drive, Room 3204, MSC 7808, Bethesda, MD 20892, (301) 435-0903, millsm@csr.nih.gov.

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

[USCG-2005-20753]

Recreational Boating Safety Projects, Programs and Activities Funded Under Provisions of the Transportation Equity Act for the 21st Century; Accounting of

AGENCY: Coast Guard, DHS.

ACTION: Notice.

SUMMARY: For each of 6 fiscal years starting in 1999, the Transportation Equity Act for the 21st Century has made \$5 million available to the Secretary of Transportation for payment of Coast Guard expenses for personnel and activities directly related to coordinating and carrying out the national recreational boating safety program. This notice is being published to satisfy a requirement of the Act that a detailed accounting of the projects, programs, and activities funded under the national recreational boating safety program provision of the Act be published annually in the **Federal Register**. In this notice we have

specified the amount of monies the Coast Guard has committed, obligated or expended during fiscal year 2004, as of September 30, 2004.

FOR FURTHER INFORMATION CONTACT:

Jeffrey N. Hoedt, Chief, Office of Boating Safety, telephone 202-267-1077, fax 202-267-4285, or Mr. Phil Cappel, Chief, Program Management Division, telephone 202-267-0988, fax 202-267-4285.

SUPPLEMENTARY INFORMATION: The Transportation Equity Act for the 21st Century became law on June 9, 1998 (Pub. L. 105-178; 112 Stat. 107). The Act required that of the \$5 million made available to carry out the national recreational boating safety program each year, \$2 million shall be available only to ensure compliance with Chapter 43 of title 46, U.S. Code—Recreational Vessels. The responsibility to administer these funds was delegated to the Commandant of the United States Coast Guard. Subsection (c) of section 7405 of the Act directs that no funds available to the Secretary under this subsection may be used to replace funding traditionally provided through general appropriations, nor for any purposes except those purposes authorized; namely, for personnel and activities directly related to coordinating and carrying out the national recreational boating safety program. Amounts made available each fiscal year 1999 through 2004 shall remain available until expended.

Use of these funds requires compliance with standard Federal contracting rules with associated lead and processing times resulting in a lag time between available funds and spending. The total cumulative amount of fiscal year 1999, 2000, 2001, 2002 and 2003 funding committed, obligated and/or expended for each activity was shown in our notice published in the **Federal Register** (68 FR 74625) on December 24, 2003. The total amount of funding, transferred to the Coast Guard from the Aquatic Resources (Wallop-Breaux) Trust Fund, committed, obligated and/or expended during fiscal year 2004 for each activity is shown below.

Factory Visit Program: Funding was provided to continue the national recreational boat factory visit program, initiated in January 2001. The factory visit program currently allows contractor personnel, acting on behalf of the Coast Guard, to visit approximately 2,000 recreational boat manufacturers each year to inspect for compliance with the Federal regulations, communicate with the manufacturers as to why they need to comply with the Federal

regulations, and educate them, as necessary, on how to comply with the Federal regulations. (\$1,875,826)

Boat Compliance Testing: Funding was provided for expansion of the boat compliance testing program whereby new manually propelled and outboard recreational boats are purchased in the open market and tested for compliance with the Federal flotation standards. The expanded program includes inboard/sterndrive boats and used boats. (\$100,000)

Associated Equipment Compliance Testing: A contract was awarded to buy recreational boat "associated equipment" (e.g., starters, alternators, fuel pumps, and bilge pumps) and test this equipment for compliance with Federal safety regulations. This new initiative complements the boat compliance testing program. (\$150,000)

New Recreational Boating Safety Associated Travel: Travel by employees of the Office of Boating Safety was performed to carry out additional recreational boating safety actions and to gather background and planning information for new recreational boating safety initiatives. (\$5,404)

New Boat Manufacturer Handbook: A contract was awarded to reprint a comprehensive and user-friendly handbook for distribution to new recreational boat manufacturers. Included in the handbook are the Federal regulations and plain language guidelines that help clarify Federal requirements. The handbook is aimed at increasing the level of new recreational boat manufacturer compliance with applicable Federal regulations. (\$26,220)

Articulated Mannequins/Computer Simulation Model: The objective of this contracted program is to improve the safety of recreational boaters by fostering developmental technology for improved personal flotation devices (PFDs). This program is furthering development of flotation mannequins and a water forces computer simulation program to promote the rapid, objective evaluation of different PFD designs on various body types that are representative of the recreational boating population. The computer simulation program will be validated through the use of a family of anthropomorphic, articulated mannequins. Under the contract to develop the articulated mannequins and computer simulation model, a male model has been built and is almost perfected. Currently, a female and a child mannequin are being developed. The development of a computer simulation program will facilitate
