SUMMARY: The President's Prisoner Re-entry Initiative (PRI) seeks to strengthen urban communities characterized by large numbers of returning prisoners through an employment-centered program that incorporates mentoring, job training, and other comprehensive transitional services. This program is a joint effort of the Department of Justice (DOJ) and the Department of Labor (DOL) designed to reduce recidivism by helping inmates find work when they return to their communities, as part of an effort to build a life in the community for everyone. This spring, DOJ awarded PRI grants to 19 State correctional agencies to provide pre-release services to prisoners returning to one targeted county within the State.

Under this solicitation, DOL will be awarding grants to faith-based and community organizations (FBCOs) to provide post-release services primarily to the prisoners provided pre-release services under the DOJ grant in urban communities within the target counties. This competition is limited to FBCOs operating within the target county(ies) identified in each DOJ grant. The following is the list of target counties that received a DOJ PRI grant this spring:

1. Jefferson County, AL
2. Maricopa County, AZ
3. Los Angeles County, CA
4. Denver County, CO
5. Fairfield County, CT

18. Davidson County, TN
19. Milwaukee, WI

DOL expects that each of the 19 awardees will serve at least 100 returning prisoners during the first year of this initiative. FBCOs applying for these grants will identify as part of their application the need in the community that they plan to serve; their plan for serving released prisoners; and their partnerships with the criminal justice system, local Workforce Investment Board, housing authority, and mental health and substance abuse treatment providers.
