SUPPLEMENTARY INFORMATION:

I. Background

Federal agencies are required to promote procurement opportunities for small, small disadvantaged, and 8(a) businesses by the Small Business Act, as amended, (Public Law 95-507, Sections 8 and 15) and Public Law 100-656 (Sections 502 and 503). The Federal Acquisition Streamlining Act of 1994 (Pub. L. 103-355) mandates similar efforts for small women-owned businesses. Public Law 106-50 created the program for service-disabled veteran-owned small businesses. Public Law 105-135 established the HubZone program. The Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104-121) requires Federal agencies to make available to small businesses compliance guides and assistance on the implementation of regulations and directives of enforcement laws they administer. Executive Orders 13256, 13230, and 13270 direct Federal agencies to implement programs, respectively, regarding Historically Black Colleges and Universities, Educational Excellence for Hispanic Americans, and Tribal Colleges and Universities that are administered by the respective White House Initiative offices (in the U.S. Department of Education). Executive Order 13125 directs Federal agencies to ensure that Asian Americans and Pacific Islanders are afforded opportunity to fully participate in Federal Programs. Further, Executive Order 13170 requires that Departments take a number of actions to increase outreach and maximize participation of small disadvantaged businesses in their procurements. Executive Order 13157 strengthens the executive branch's commitment to increased opportunities for women-owned small businesses. Accordingly, the Small Business Programs Information Management System is needed to gather, document, and manage identifying information for four Office of Small Business Programs constituency groups: Small Businesses; Trade Associations; Minority Colleges and Universities; and Tribal Governments. Via this system, the constituent groups will have the opportunity to voluntarily provide to OSBP information about their organizations. The information will be used by OSBP and DOL agencies to maximize communication with the respective constituency groups regarding relevant OSBP and DOL programs, initiatives, and procurement opportunities; to track and solicit feedback on customer service to group members; and to facilitate registration of

group members for OSBP-sponsored activities.

II. Review Focus

The Office of Small Business Programs is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.
