

**FTA Response:** FTA adopts its proposal, but will defer implementation until the 2009 Report Year. This guidance will appear in the 2009 Annual Manual. FTA also adopts the commenter's suggestion for allowing estimation of *Average Lifetime Miles per Active Vehicle* in the case described. That guidance will appear in the 2008 Annual Manual.

**Federal Funding Allocation (FFA-10) Form**

FTA proposes to make this form required for all transit providers serving more than one urbanized area, or an urbanized area and a non-urbanized area in order to support the apportionment of Small Transit-Intensive Cities (STIC Grants.)

FTA received two comments in support of this proposal.

**FTA Response:** FTA adopts this proposal for the 2008 Report Year. This guidance will appear in the 2008 Annual Manual.

Issued in Washington, DC, this 1st day of July, 2008.
