

**** There will be one CPA firm respondent (an SSA-approved contractor) to conduct compliance reviews and prepare written reports of findings on the 10 permitted entities.

Cost Burden

The public cost burden is dependent upon the number of permitted entities and annual transaction volume. In FY 2019, 10 companies enrolled out of 123 applications received to participate in

eCBSV. We based the cost estimates below on 10 participating permitted entities in FY 2020 submitting an anticipated volume of 307,000,000 transactions. The Banking Bill requires that we collect at least 50 percent of the

start-up costs (*i.e.*, that we collect \$9.2 million) before we may begin development of the eCBSV verification system. SSA will recover the remaining development costs over three years using the following tier fee schedule:

ECBSV TIER FEE SCHEDULE

Tier	Volume threshold	Annual fee
(1)	1–1,000	\$400
(2)	1,001–10,000	3,030
(3)	10,001–200,000	14,300
(4)	200,001–50 million	276,500
(5)	50,000,001–2 billion	860,000

Each enrolled permitted entity will be required to remit the above tier based subscription fee for the 365-day agreement period and the appropriate administrative fee. We will charge newly enrolled entities a startup administrative fee of \$3,693. After the initial year, we will charge the entities a renewal administrative fee of \$1,691 each time the agreement is renewed or amended. We calculated the fees based on forecasted systems and operational expenses; agency oversight, overhead and CPA audit contract costs.

In addition, SSA will periodically recalculate costs to provide eCBSV services and adjust the fees charged as needed. We will notify companies of a fee adjustment at the renewal of the eCBSV User Agreement and via notice in the **Federal Register**; companies have the opportunity to cancel the agreement or continue service using the new fee.

Consistent with the determination in section 10 of Executive Order 13224 that prior notice to persons determined to be subject to the Order who might have a constitutional presence in the United States would render ineffectual the blocking and other measures authorized in the Order because of the ability to transfer funds instantaneously, I determine that no prior notice needs to be provided to any person subject to this determination who might have a constitutional presence in the United States, because to do so would render ineffectual the measures authorized in the Order.
