SUPPLEMENTARY INFORMATION: On August 10, 2005, the President signed into law the Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (Title VI, Pub. L. 109-59). Section 4135 mandates the establishment of a Commercial Driver's License (CDL) Task Force to study and address current impediments and foreseeable challenges to the commercial driver's license program's

effectiveness and measures needed to realize the full safety potential of the commercial driver's license program. The CDL program was established by the Commercial Motor Vehicle Safety Act (CMVSA) of 1986 (Title XII, Pub. L. 99-570).

To carry out this requirement, FMCSA formed an advisory committee, consistent with the standards of the Federal Advisory Committee Act (FACA). See 71 FR 69605, December 1, 2006. The notice requested applications from persons interested in serving as members of the CDL Advisory Committee and requested applications not later than January 2, 2007. After evaluating all applications received by due date, the Secretary of Transportation appointed the members of the committee.

The statutory timetable for this effort is short. Section 4132 of the SAFETEA-LU specifies that not later than 2 years after the date of enactment of this Act (e.g., by August 10, 2007), the Secretary, on behalf of the task force, shall complete a report of findings and recommendations for legislative, regulatory, and enforcement changes to improve the commercial drivers license program and submit the report to the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives. To meet this deadline, FMCSA conducted a very compressed schedule of Committee meetings. The FMCSA held three meetings with public comment periods on March 20-22, 2007, April 17-19, 2007, and May 15-17, 2007.

The meetings of the committee were open to the public. As a general matter, the committee made one hour available for public comments on the Thursday of each meeting (March 22, April 19, and May 17) from 1-2 p.m.

This fourth meeting is being scheduled to provide the committee time to adequately consider the information presented at the first three meetings and to review a draft of the report being prepared on behalf of the committee. No new topics will be introduced at this fourth meeting. This meeting is open to the public but there will be no public comment period at this meeting. However, any person may submit written comments identified by FMCSA Docket number FMCSA-2007-27357 as listed under the **ADDRESSES** section of this notice. FMCSA will consider all comments received to the extent practicable.

Issued on: June 12, 2007.

Acting Associate Administrator, Enforcement and Program Delivery.

Background

The U.S. Secretary of Transportation announced on March 7, 2006, the five

medical experts who serve on FMCSA's MRB. Section 4116 of the Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU, Pub. L. 109-59) requires the Secretary of Transportation with the advice of the MRB to "establish, review, and revise medical standards for operators of Commercial Motor Vehicles (CMVs) that will ensure that the physical condition of operators is adequate to enable them to operate the vehicles safely." FMCSA is planning updates to the physical qualification regulations of CMV drivers, and the MRB will provide the necessary science-based guidance to establish realistic and responsible medical standards.

The MRB operates in accordance with the Federal Advisory Committee Act (FACA) as announced in the **Federal Register** (70 FR 57642, October 3, 2005). The MRB is charged initially with the review of all current FMCSA medical standards (49 CFR 391.41), as well as proposing new science-based standards and guidelines to ensure that drivers operating CMVs in interstate commerce, as defined in CFR 390.5, are physically capable of doing so.

Meeting Participation

Attendance is open to the interested public, including medical examiners, motor carriers, drivers, and representatives of medical and scientific associations. Written comments for this MRB meeting will also be accepted beginning on June 20, 2007 and continuing until July 20, 2007, and should include the docket number that is listed in the **ADDRESSES** section.

During the MRB meeting, oral comments will be accepted on a first come, first serve basis as requestors register at the meeting, but may be limited depending on how many persons wish to comment. The comments must directly address relevant medical and scientific issues on the MRB meeting agenda. For more information, please view the following Web site: <http://www.mrb.fmcsa.dot.gov>.

Qualification of Drivers; Exemption Applications; Vision

AGENCY: Federal Motor Carrier Safety Administration (FMCSA), DOT.

ACTION: Notice of renewal of exemptions; request for comments.

SUMMARY: FMCSA announces its decision to renew the exemptions from the vision requirement in the Federal Motor Carrier Safety Regulations for 5 individuals. FMCSA has statutory authority to exempt individuals from the vision requirement if the exemptions granted will not compromise safety. The Agency has concluded that granting these exemptions will provide a level of safety that will be equivalent to, or greater than, the level of safety maintained without the exemptions for these commercial motor vehicle (CMV) drivers.

DATES: This decision is effective June 30, 2007. Comments must be received on or before July 20, 2007.

ADDRESSES: You may submit comments identified by DOT Docket Management System (DMS) Docket Numbers FMCSA-99-5748, FMCSA-00-8398, FMCSA-01-9258, FMCSA-03-14223, FMCSA-05-20027, using any of the following methods.
