SUPPLEMENTARY INFORMATION:

I. Background

The Secretary of the Department of Health and Human Services (the Secretary) is mandated by section 1868(a) of the Social Security Act (the Act) to appoint a Practicing Physicians Advisory Council (the Council) based on nominations submitted by medical organizations representing physicians. The Council meets quarterly to discuss certain proposed changes in regulations and carrier manual instructions related to physicians' services. To the extent feasible and consistent with statutory deadlines, the consultation must occur before the publication of the proposed changes. The Council submits its recommendations in an annual report to the Secretary and the Administrator of the Centers for Medicare & Medicaid Services no later than December 31 of each year.

The Council consists of 15 physicians, each of whom has submitted at least 250 claims for physician services under Medicare in the previous year. At least 11 members of the Council must be physicians as described in Section 1861(r)(1) of the Act; that is, State-licensed doctors of medicine or osteopathy. The other 4 Council members may include dentists, podiatrists, optometrists and chiropractors. The Council includes both participating and nonparticipating physicians, as well as physicians practicing in rural and underserved urban areas. Members serve for overlapping 4-year terms; terms of more than 2 years are contingent upon the renewal of the Council by appropriate action prior to its termination.

Section 1868(a) of the Act provides that nominations to the Secretary for Council membership must be made by medical organizations representing physicians.

I. Provisions of This Notice

This notice announces the signing of the Practicing Physicians Advisory Council (PPAC) charter (recharter) by the Secretary. The charter will terminate on June 12, 2005, unless rechartered before the expiration date.
