

The Department clarified its "automatic assessment" regulation on May 6, 2003 (68 FR 23954). This clarification will apply to entries of subject merchandise during the period of review produced by companies included in these final results of review for which the reviewed companies did not know their merchandise was destined for the United States. In such instances, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction. For a full discussion of this clarification, see *Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 68 FR 23954 (May 6, 2003).

Cash Deposit Requirements

The following deposit requirements will be effective upon completion of the final results of this administrative review for all shipments of honey from Argentina entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(1) of the Tariff Act: (1) the cash deposit rates for all companies covered by this review (i.e., ACA, Seylinco, Patagonik, Naiman, and El Mana) will be the rates established in the final results of review; (2) for any previously reviewed or investigated company not listed above, the cash deposit rate will continue to be the company-specific rate published in the most recent period; (3) if the exporter is not a firm covered in this review or the LTFV investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) if neither the exporter nor the manufacturer is a firm covered in this or any previous review conducted by the Department, the cash deposit rate will be the all-others rate from the investigation (30.24 percent). See *Notice of Final Determination of Sales at Less Than Fair Value; Honey From Argentina*, 66 FR 50611 (October 4, 2001); see also *Notice of Amended Final Determination of Sales at Less Than Fair Value; Honey From Argentina*, 66 FR 58434 (November 21, 2001), and *Notice of Antidumping Duty Order; Honey From Argentina*, 66 FR 63672 (December 10, 2001).

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping

duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Tariff Act.

Dated: December 19, 2007.

David M. Spooner,

Assistant Secretary for Import Administration.

Certain Polyester Staple Fiber From the Republic of Korea: Notice of Extension of Time Limit for the 2006-2007 Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: December 28, 2007.

FOR FURTHER INFORMATION CONTACT: Yasmin Nair or Andrew McAllister, AD/CVD Operations, Office 1, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230, telephone (202) 482-3813 or (202) 482-1174, respectively.

SUPPLEMENTARY INFORMATION:

Statutory Time Limits

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), requires the Department of Commerce ("Department") to issue the preliminary results of an administrative review within 245 days after the last day of the anniversary month of an order for which a review is requested and a final determination within 120 days after the date on which the preliminary results are published. If it is not practicable to complete the review within the time period, section 751(a)(3)(A) of the Act allows the Department to extend these deadlines to a maximum of 365 days and 180 days, respectively.

Background

On June 29, 2007, the Department published a notice of initiation of an administrative review of the antidumping duty order on certain polyester staple fiber ("PSF") from the Republic of Korea ("Korea"), covering

the period May 1, 2006, through April 30, 2007. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews, Request for Revocation in Part and Deferral of Administrative Review*, 72 FR 35690 (June 29, 2007). The preliminary results for this review are currently due no later than January 31, 2008.

Extension of Time Limits for Preliminary Results

The Department requires additional time to review and analyze the respondent's sales and cost information and to issue supplemental questionnaires. Thus, it is not practicable to complete this review within the previously established time limit (i.e., by January 31, 2008). Therefore, the Department is extending the time limit for completion of these preliminary results by 120 days to not later than May 30, 2008, in accordance with section 751(a)(3)(A) of the Act.

We are issuing and publishing this notice in accordance with sections 751(a)(3)(A) and 777(i)(1) of the Act.

Dated: December 18, 2007.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.
