### SECURITIES AND EXCHANGE COMMISSION

#### Proposed Collection; Comment Request

Upon Written Request, Copies Available  
From: Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549-0213.

*Extension:*

Rule 17d-1, OMB Control No. 3235-0562, SEC File No. 270-505.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collections of information summarized below. The Commission plans to submit these existing collections of information to the Office of Management and Budget ("OMB") for extension and approval.

Section 17(d) (15 U.S.C. 80a-17(d)) of the Investment Company Act of 1940 (15 U.S.C. 80a *et seq.*) (the "Act") prohibits first- and second-tier affiliates of a fund, the fund's principal

underwriters, and affiliated persons of the fund's principal underwriters, acting as principal, to effect any transaction in which the fund or a company controlled by the fund is a joint or a joint and several participant in contravention of the Commission's rules. Rule 17d-1 (17 CFR 270.17d-1) prohibits an affiliated person of or principal underwriter for any fund (a "first-tier affiliate"), or any affiliated person of such person or underwriter (a "second-tier affiliate"), acting as principal, from participating in or effecting any transaction in connection with a joint enterprise or other joint arrangement in which the fund is a participant, unless prior to entering into the enterprise or arrangement "an application regarding [the transaction] has been filed with the Commission and has been granted by an order." In reviewing the proposed affiliated transaction, the rule provides that the Commission will consider whether the proposal is (i) consistent with the provisions, policies, and purposes of the Act, and (ii) on a basis different from or less advantageous than that of other participants in determining whether to grant an exemptive application for a proposed joint enterprise, joint arrangement, or profit-sharing plan.

Rule 17d-1 also contains a number of exceptions to the requirement that a fund must obtain Commission approval prior to entering into joint transactions or arrangements with affiliates. For example, funds do not have to obtain Commission approval for certain employee compensation plans, certain tax-deferred employee benefit plans, certain transactions involving small business investment companies, the receipt of securities or cash by certain affiliates pursuant to a plan of reorganization, certain arrangements regarding liability insurance policies and transactions with "portfolio affiliates" (companies that are affiliated with the fund solely as a result of the fund (or an affiliated fund) controlling them or owning more than five percent of their voting securities) so long as certain other affiliated persons of the fund (*e.g.*, the fund's adviser, persons controlling the fund, and persons under common control with the fund) are not parties to the transaction and do not have a "financial interest" in a party to the transaction. The rule excludes from the definition of "financial interest" any interest that the fund's board of directors (including a majority of the directors who are not interested persons of the fund) finds to be not material, as long as the board records the basis for its finding in their meeting minutes.
