The Center for Substance Abuse Treatment (CSAT) is charged with the Access to Recovery (ATR) program which will allow grantees (States, Territories, the District of Columbia and Tribal Organizations) a means to implement voucher programs for substance abuse clinical treatment and recovery support services. This data collection is in use without OMB approval. There are no changes to the two client-level tools (OMB No. 0930-0266) from the previous approval. This data collection expired on May 31, 2017.

The goals of the ATR program are to:

- (1) Provide client choice among

substance abuse clinical treatment and recovery support service providers, (2) expand access to a comprehensive array of clinical treatment and recovery support options (including faith-based programmatic options), and (3) increase substance abuse treatment capacity. Monitoring outcomes, tracking costs, and preventing waste, fraud and abuse to ensure accountability and effectiveness in the use of Federal funds are also important elements of the ATR program. Grantees, as a contingency of their award, are responsible for collecting Voucher Information (VI) and Voucher Transaction (VT) data from their clients.

The primary purpose of this data collection activity is to meet the reporting requirements of the Government Performance and Results Act (GPRA) by allowing SAMHSA to quantify the effects and accomplishments of SAMHSA programs. The following table is an estimated annual response burden for this effort.

ESTIMATES OF ANNUALIZED HOUR BURDEN ¹

Center/form/respondent type	Number of respondent	Responses per respondent	Total responses	Hours per response	Total hour burden	Total wage cost	Total hour cost/respondent ¹
Voucher information and transaction ...	53,333	1.5	80,000	.03	2,400	\$18.40	\$44,160

¹ This table represents the maximum additional burden if adult respondents for ATR provide responses/data at an estimated hourly wage (from 2010 Bureau of Labor Statistics).

Written comments and recommendations concerning the proposed information collection should be sent by August 2, 2017 to the SAMHSA Desk Officer at the Office of Information and Regulatory Affairs, Office of Management and Budget (OMB). To ensure timely receipt of comments, and to avoid potential delays in OMB's receipt and processing of mail sent through the U.S. Postal Service, commenters are encouraged to submit their comments to OMB via email to: OIRA_Submission@omb.eop.gov. Although commenters are encouraged to send their comments via email, commenters may also fax their comments to: 202-395-7285.
