The Arnold Engineering Company Ferrite Products Division Sevierville, TN; Notice of Affirmative Determination Regarding Application for Reconsideration

By letter of October 19, 2001, a
company requested administrative
reconsideration of the Department of
Labor's Notice of Negative
Determination Regarding Eligibility to
Apply for Worker Adjustment
Assistance, applicable to workers of the
subject firm. The denial notice was
signed on September 25, 2001, and
published in the **Federal Register** on
October 11, 2001 (66 FR 51973).

The company supplied an additional
list of customers. The company believes
these customers reduced their purchases
from the subject plant and began
importing ceramic hard ferrite magnets
during the relevant time period. The
Department of Labor will conduct a
survey of these additional customers to
determine if imports contributed
importantly to the declines in
employment at the subject plant.

Conclusion

After careful review of the
application, I conclude that the claim to
sufficient weight to justify
reconsideration of the Department of
Labor's prior decision. The application
is, therefore, granted.

Signed at Washington, DC, this 8th day of
January, 2002.
