## DEPARTMENT OF ENERGY

### Federal Energy Regulatory Commission

[Docket No. AD21–9–000]

#### The Office of Public Participation; Supplemental Notice of Virtual Listening Session and a Public Comment Period

Take notice that the Federal Energy Regulatory Commission (Commission) staff will convene, in the above-referenced proceeding, a virtual listening session on April 19, 2021, from 6:00 p.m. to 9:00 p.m. Eastern time, to solicit public input on how the Commission should establish and operate the Office of Public Participation (OPP) pursuant to section 319 of the Federal Power Act (FPA) (16 U.S.C. 825q–1). The listening session will be led by Commission staff and may be attended by one or more Commissioners. Members of the public may also submit written comments to the record on how the Commission should establish and operate the OPP by Friday, April 23, 2021.

In December 2020, Congress directed the Commission to provide a report, by June 25, 2021, detailing its progress towards establishing the OPP. Section 319 of the FPA directs the Commission to establish the OPP to “coordinate assistance to the public with respect to authorities exercised by the Commission,” including assistance to those seeking to intervene in

Commission proceedings. (16 U.S.C. 825q–1). A February 22, 2021 notice announced a Commissioner-led workshop to be held on April 16, 2021, from 9:00 a.m. to 5:00 p.m. Eastern time, and a March 5, 2021 notice announced five listening sessions from March 17, 2021 to March 25, 2021. The notices can be found on the Commission's website.

The April 19, 2021 evening session will give members of the public an additional opportunity to comment on how the Commission should design the OPP to encourage and facilitate public participation. Following a brief introduction from Commission staff, the session will be open to the public for three minutes of comment per participant. In advance of the listening sessions, participants may wish to consider the issues listed below:

1. Section 319 of the FPA states that the OPP will be administered by a Director. (16 U.S.C. 825q–1(a)(2)(A)). In addition to the Director, how should the office be structured?

2. Should the Commission consider creating an advisory board for OPP? If so, what role would the board serve and who should be on the board?

3. How should the OPP coordinate assistance to persons intervening or participating, or seeking to intervene or participate, in a Commission proceeding?

4. To what extent do you, or the organization you represent, currently interact with the Commission? What has hindered or helped your ability to participate in Commission proceedings?

5. Have you engaged with other governmental entities—such as local, state, and other federal agencies—on matters involving your interests? If so, how did those agencies engage in outreach, and what practices improved your ability to participate in their processes?

6. How should the OPP engage with Tribal Governments, environmental justice communities, energy consumers, landowners, and other members of the public affected by Commission proceedings?

7. Section 319 of the FPA allows the Commission to promulgate rules to offer compensation for attorney fees and other expenses to intervenors and participants who substantially contribute to a significant Commission proceeding if participation otherwise would result in significant financial hardship. (16 U.S.C. 825q–1(b)(2)). How should the Commission approach the issue of intervenor compensation? What should the OPP's role be with respect to intervenor compensation? How should the Commission establish a budget for and fund intervenor compensation?

What lessons can the Commission learn from the administration of similar state intervenor compensation programs?

The session will be open for the public to attend, and there is no fee for attendance. The listening session will be audio-only. Call-in information details, including preregistration, can be found on the OPP website. Information will also be posted on the Calendar of Events on the Commission's website, [www.ferc.gov](http://www.ferc.gov), prior to the event. The listening sessions will be transcribed and placed into the record approximately one week after the session date.

The listening sessions will be accessible under section 508 of the Rehabilitation Act of 1973. For accessibility accommodations, please send an email to [accessibility@ferc.gov](mailto:accessibility@ferc.gov) or call toll free 1-866-208-3372 (voice) or 202-502-8659 (TTY), or send a FAX to 202-208-2106 with the required accommodations.

Members of the public may also submit written comments on these topics to the record in Docket No. AD21-9-000 by Friday, April 23, 2021. Please file comments using the Commission's eFiling system at <https://ferconline.ferc.gov/FEROnline.aspx>.
