Any person desiring to intervene or to protest in any of the above proceedings must file in accordance with Rules 211 and 214 of the Commission's Rules of

Practice and Procedure (18 CFR 385.211 and 385.214) on or before 5 p.m. Eastern time on the specified comment date. It is not necessary to separately intervene again in a subdocket related to a compliance filing if you have previously intervened in the same docket. In reference to filings initiating a new proceeding, interventions or protests submitted on or before the comment deadline need not be served on persons other than the Applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper, using the FERC Online links at <http://www.ferc.gov>. To facilitate electronic service, persons with Internet access who will eFile a document and/or be listed as a contact for an intervenor must create and validate an eRegistration account using the eRegistration link. Select the eFiling link to log on and submit the intervention or protests.

Persons unable to file electronically should submit an original and 14 copies of the intervention or protest to the Federal Energy Regulatory Commission, 888 First St. NE., Washington, DC 20426.

The filings in the above proceedings are accessible in the Commission's eLibrary system by clicking on the appropriate link in the above list. They are also available for review in the Commission's Public Reference Room in Washington, DC. Standards of Conduct for Transmission Providers; Extension of Non-Statutory Deadlines; Notice Granting Extension of Time To Comply With Posting and Other Requirements

August 31, 2005.

Hurricane Katrina has created emergency conditions in the Gulf Coast area of the United States. Section 358.4(a)(2) of the Commission's Standards of Conduct regulations allows transmission providers to "take whatever steps are necessary to keep the system[s] in operation" notwithstanding any of the other requirements. 18 CFR 358.4(a)(2) (2005). Section 358.4(a)(2) also provides: "Transmission Providers must report to the Commission and post on the OASIS or Internet Web site, as applicable, each emergency that resulted in any deviation from the standards of conduct, within 24 hours of such deviation." As a result of the emergency, the Commission will allow affected transmission providers to delay compliance with the section 358.4(a)(2) reporting requirement until September 30, 2005. In addition, pursuant to section 385.2008 of the Commission's Rules of Practice and Procedure, 18 CFR 385.2008 (2005), the Commission finds good cause to extend, until September 30, 2005, non-statutory deadlines that occur before that date for participants in proceedings pending before the Commission who need such extensions on account of Hurricane Katrina.
