

deponent unless subscribing thereof is waived in writing by the parties.

§ 771.125 Witnesses and fees.

Witnesses summoned before the administrative law judge may be paid the same fees and mileage that are paid witnesses in the courts of the United States, and witnesses whose depositions are taken and the persons taking the same shall severally be entitled to the same fees as are paid for like services in the courts of the United States. Witness fees and mileage shall be paid by the party at whose instance the witnesses appear and the person taking the deposition shall be paid by the party at whose instance the deposition is taken.

§ 771.126 Discovery.

The discovery provisions of the Federal Rules of Civil Procedure and the Federal Rules of Criminal Procedure are not controlling with respect to agency proceedings under this part. However, fundamental fairness requires a party be given the opportunity to know what evidence is offered and a chance to rebut such evidence. Either party may petition the administrative law judge for non-burdensome discovery if the party can demonstrate that the interests of justice require disclosure of these materials.

§ 771.127 Privileges.

The Administrative Procedure Act, 5 U.S.C. 559, provides that, except as otherwise required by law, privileges relating to procedure or evidence apply equally to agencies and persons. Therefore, an agency may rely on judicially-approved privileges to resist production of its files where appropriate.

Record

§ 771.135 What constitutes record.

The transcript of testimony, pleadings, exhibits, all papers and requests filed in the proceeding, and all findings, decisions, and orders, shall constitute the exclusive record. Where the decision rests on official notice of material fact not appearing in the record, the administrative law judge shall so state in his findings and any party shall, on timely request, be afforded an opportunity to show facts to the contrary.

§ 771.136 Availability.

A copy of the record shall be available for inspection or copying by the parties to the proceedings during business hours at the office of the administrative law judge or the Director of Industry Operations or, pending administrative review, at the Office of the Director.
