## OFFICE OF MANAGEMENT AND BUDGET

### Discount Rates for Cost-Effectiveness Analysis of Federal Programs

**AGENCY:** Office of Management and Budget

**ACTION:** Revisions to Appendix C of OMB Circular A–94

**SUMMARY:** The Office of Management and Budget (OMB) revised Circular A–94 in 1992. With this action, OMB has revised the Circular and specified certain discount rates to be updated annually when the interest rate and inflation assumptions used to prepare the Budget of the United States Government were changed. These updated discount rates are found in Appendix C of the revised Circular and are to be used for cost-effectiveness analysis, including lease-purchase analysis, as specified in the revised Circular. These rates do not apply to regulatory analysis.

The revised Circular can be accessed at <https://www.whitehouse.gov/wp-content/uploads/2020/12/Appendix-C.pdf>.

**DATES:** The revised discount rates will be in effect through December 2021.

##### B. Submitting Comments

The NRC encourages electronic comment submission through the

Federal Rulemaking website (<https://www.regulations.gov>). Please include Docket ID NRC–2020–0162 in your comment submission.

The NRC cautions you not to include identifying or contact information in comment submissions that you do not want to be publicly disclosed in your comment submission. All comment submissions are posted at <https://www.regulations.gov/> and entered into ADAMS. Comment submissions are not routinely edited to remove identifying or contact information.

If you are requesting or aggregating comments from other persons for submission to the OMB, then you should inform those persons not to include identifying or contact information that they do not want to be publicly disclosed in their comment submission. Your request should state that comment submissions are not routinely edited to remove such information before making the comment submissions available to the public or entering the comment into ADAMS.

## II. Background

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the NRC is requesting public comment on its intention to request the OMB's approval for the information collection summarized below.

1. *The title of the information collection:* Voluntary Reporting of Planned New Reactor Applications.
2. *OMB approval number:* 3150–0228.
3. *Type of submission:* Extension.
4. *The form number, if applicable:* N/A.
5. *How often the collection is required or requested:* Annually.
6. *Who will be required or asked to respond:* Applicants, licensees, and potential applicants report this information on a strictly voluntary basis.
7. *The estimated number of annual responses:* 20.
8. *The estimated number of annual respondents:* 20.
9. *The estimated number of hours needed annually to comply with the information collection requirement or request:* 610.

10. *Abstract:* This voluntary information collection assists the NRC in determining resource and budget needs as well as aligning the proper allocation and utilization of resources to support applicant submittals, future construction-related activities, and other anticipated part 50 and/or part 52 of title 10 of the *Code of Federal Regulations* (10 CFR) licensing and design certification rulemaking actions.

In addition, information provided to the NRC staff is intended to promote early communications between the NRC and the respective addressees about potential 10 CFR part 50 and/or part 52 licensing actions and related activities, submission dates, and plans for construction and inspection activities. The overarching goal of this information collection is to assist the NRC staff more effectively and efficiently plan, schedule, and implement activities and reviews in a timely manner.

## III. Specific Requests for Comments

The NRC is seeking comments that address the following questions:

1. Is the proposed collection of information necessary for the NRC to properly perform its functions? Does the information have practical utility?
2. Is the estimate of the burden of the information collection accurate?
3. Is there a way to enhance the quality, utility, and clarity of the information to be collected?
4. How can the burden of the information collection on respondents be minimized, including the use of automated collection techniques or other forms of information technology?

Dated: December 22, 2020.

For the Nuclear Regulatory Commission.
