

representative with regard to their interest in ABI certification testing for ACE. All software developers will be contacted by their client representative and will be advised as to the start of certification testing.

Acceptance into this test does not guarantee eligibility for, or acceptance into, future technical tests. Participation in the ESAR II test will be expanded in the future as funding allows; however, the eligibility criteria may differ from the criteria listed in this and the August 26, 2008, notice. Additionally, expansion of this test to allow participation by future applicants may be delayed due to funding or technological constraints.

As stated in previous notices, participation in this or any of the previous ACE tests is not confidential and upon a written Freedom of Information Act request, a name(s) of an approved participant(s) will be disclosed by CBP in accordance with 5 U.S.C. 552. If necessary, CBP will reserve the right to limit the number of participants and locations during the initial stages of the test.

Previous Notices

All requirements and aspects of the ESAR II test discussed in the August 26, 2008, notice as well as in any other previous notices, except to the extent expressly modified by this notice, are hereby incorporated by reference and continue to be applicable.

Dated: March 3, 2009.

Endangered Species Recovery Permit Applications

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice of receipt of permit applications; request for comment.

SUMMARY: We, the U.S. Fish and Wildlife Service, invite the public to comment on the following applications to conduct certain activities with endangered species. With some exceptions, the Endangered Species Act prohibits activities with endangered and threatened species unless a Federal permit allows such activity. The Act also requires that we invite public comment before issuing these permits.

DATES: Comments on these permit applications must be received on or before April 6, 2009.

ADDRESSES: Written data or comments should be submitted to the U.S. Fish and Wildlife Service, Endangered Species Program Manager, Region 8, 2800 Cottage Way, Room W-2606, Sacramento, CA 95825 (telephone: 916-414-6464; fax: 916-414-6486). Please refer to the respective permit number for each application when submitting comments. All comments received, including names and addresses, will become part of the official

administrative record and may be made available to the public.

FOR FURTHER INFORMATION CONTACT:

Daniel Marquez, Fish and Wildlife Biologist, see **ADDRESSES**, (telephone: 760-431-9440; fax: 760-431-9624).

SUPPLEMENTARY INFORMATION: The following applicants have applied for scientific research permits to conduct certain activities with endangered species pursuant to section 10(a)(1)(A) of the Endangered Species Act (16 U.S.C. 1531 *et seq.*). The U.S. Fish and Wildlife Service ("we") solicits review and comment from local, State, and Federal agencies, and the public on the following permit requests. Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.
