BILLING CODE 4163–18–P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Centers for Disease Control and Prevention

Notice of Award of a Single-Source Cooperative Agreement To Fund the All-India Institute for Medical Sciences, New Delhi (AIIMS, New Delhi)

AGENCY: Centers for Disease Control and Prevention (CDC), Department of Health and Human Services (HHS).

ACTION: Notice.

SUMMARY: The Centers for Disease Control and Prevention (CDC), located within the Department of Health and Human Services (HHS), announces the award of approximately \$2,000,000, with an expected total funding of approximately \$10,000,000 over a five-year period, to AIIMS, New Delhi. The award will support research to estimate the incidence of influenza and other

respiratory viruses (such as SARS-CoV–2) among working-age adults and other priority populations in India to strengthen the evidence base and inform influenza vaccine policy in India.

DATES: The period for this award will be September 30, 2022, through September 29, 2027.

FOR FURTHER INFORMATION CONTACT:

Amy Yang, Ph.D., National Center for HIV, Viral Hepatitis, STD and TB Prevention, Centers for Disease Control and Prevention, 1600 Clifton Road NE, MS US8–1, Atlanta, GA 30329, Telephone: 404–718–8835, email: corp_erp_8835@cdc.gov.

SUPPLEMENTARY INFORMATION: This single-source award will allow the recipient to conduct research to estimate the incidence of influenza and other respiratory viruses (such as SARS-CoV–2) among working-age adults and other priority populations in India to strengthen the evidence base and inform influenza vaccine policy in India.

AIIMS, New Delhi, is in a unique position to conduct this work, as it is the only institution in India with the required scientific and technical expertise to conduct multi-site cohort studies on influenza and other respiratory viruses like SARS-CoV–2 which require robust epidemiological and laboratory capacity and maintains the high research standards required by CDC. AIIMS, New Delhi, is governmentally mandated by the AIIMS Act of 1956 and operates autonomously as an institution of national importance under the Ministry of Health and Family Welfare. AIIMS, New Delhi, is the leader of basic, clinical, and translational medical research in India.

Summary of the Award

Recipient: The All-India Institute for Medical Sciences, New Delhi (AIIMS, New Delhi).

Purpose of the Award: The purpose of this award is to support research to estimate the incidence of influenza and other respiratory viruses, such as severe acute respiratory syndrome coronavirus 2 (SARS-CoV–2), among working-aged adults and other priority populations in India to strengthen the evidence base to help inform influenza vaccine policy in India. The recipient will set up a multi-center hospital-based platform in India to estimate the disease and economic burden of influenza- and COVID–19-associated hospitalization of working age adults (18–60 years) in India. An additional goal is to increase awareness about influenza burden and prevention methods among clinicians and public health practitioners. This project aligns with activities conducted under the

CDC Influenza Division’s International Program to build the evidence base for better understanding the disease and economic burden of influenza and to identify strategies for influenza prevention, including vaccination in low- and middle-income settings.

Amount of Award: \$2,000,000 in Federal Fiscal Year (FFY) 2022 funds, and an estimated \$2,000,000 for each subsequent 12-month budget period over five years, subject to availability of funds.

Authority: This program is authorized under Public Health Service Act, Section 307 (42 U.S.C. 242I).

Period of Performance: September 30, 2022 through September 29, 2027.

Dated: January 11, 2022.

Terrance Perry,

Chief Grants Management Officer, Centers for Disease Control and Prevention.

Centers for Disease Control and Prevention

Notice of Closed Meeting

Pursuant to section 10(d) of the Federal Advisory Committee Act, as amended, notice is hereby given of the following meeting.

The meeting will be closed to the public in accordance with the provisions set forth in sections 552b(c)(4) and 552b(c)(6), title 5 U.S.C., as amended, and the Determination of the Director, Strategic Business Initiatives Unit, Office of the Chief Operating Officer, CDC, pursuant to Public Law 92–463. The grant applications and the discussions could disclose confidential trade secrets or commercial property such as patentable material, and personal information concerning individuals associated with the grant applications, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.

Name of Committee: Disease, Disability, and Injury Prevention and Control Special Emphasis Panel (SEP)—RFA–CE–22–011: Understanding Polydrug Use Risk and Protective Factors, Patterns, and Trajectories to Prevent Drug Overdose.

Date: May 3–4, 2022.

Time: 8:30 a.m.–5:30 p.m., EDT.

Place: Videoconference.

Agenda: To review and evaluate grant applications.

BILLING CODE 4163-18-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Centers for Medicare & Medicaid Services

[Document Identifier: CMS-10142]

Agency Information Collection Activities: Submission for OMB Review; Comment Request

AGENCY: Centers for Medicare & Medicaid Services, Health and Human Services (HHS).

ACTION: Notice.

SUMMARY: The Centers for Medicare & Medicaid Services (CMS) is announcing an opportunity for the public to comment on CMS' intention to collect information from the public. Under the Paperwork Reduction Act of 1995 (PRA), federal agencies are required to publish notice in the **Federal Register** concerning each proposed collection of information, including each proposed extension or reinstatement of an existing collection of information, and to allow a second opportunity for public comment on the notice. Interested persons are invited to send comments regarding the burden estimate or any other aspect of this collection of information, including the necessity and utility of the proposed information collection for the proper performance of the agency's functions, the accuracy of the estimated burden, ways to enhance the quality, utility, and clarity of the information to be collected, and the use of automated collection techniques or other forms of information technology to minimize the information collection burden.

DATES: Comments on the collection(s) of information must be received by the OMB desk officer by February 14, 2022.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function.

To obtain copies of a supporting statement and any related forms for the proposed collection(s) summarized in this notice, you may make your request using one of following:

1. Access CMS' website address at: <https://www.cms.gov/Regulations-and-Guidance/Legislation/PaperworkReductionActof1995/PRA-Listing.html>.

FOR FURTHER INFORMATION CONTACT: William Parham at (410) 786-4669.

SUPPLEMENTARY INFORMATION: Under the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3501-3520), federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor. The term "collection of information" is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) and includes agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA (44 U.S.C. 3506(c)(2)(A)) requires federal agencies to publish a 30-day notice in the **Federal Register** concerning each proposed collection of information, including each proposed extension or reinstatement of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, CMS is publishing this notice that summarizes the following proposed collection(s) of information for public comment:

1. *Type of Information Collection Request:* Extension without change of a currently approved collection; *Title of Information Collection:* Bid Pricing Tool (BPT) for Medicare Advantage (MA) Plans and Prescription Drug Plans (PDP); *Use:* This collection dates back to 2005. Under the Medicare Prescription Drug, Improvement, and Modernization Act of 2003 (MMA), and implementing regulations at 42 CFR, Medicare Advantage organizations (MAO) and Prescription Drug Plans (PDP) are required to submit an actuarial pricing "bid" for each plan offered to Medicare beneficiaries for approval by the Centers for Medicare & Medicaid Services (CMS). MAOs and PDPs use the Bid

Pricing Tool (BPT) software to develop their actuarial pricing bid. The competitive bidding process defined by the "The Medicare Prescription Drug, Improvement, and Modernization Act" (MMA) applies to both the MA and Part D programs. It is an annual process that encompasses the release of the MA rate book in April, the bid's that plans submit to CMS in June, and the release of the Part D and RPPD benchmarks, which typically occurs in August. *Form Number:* CMS-10142 (OMB control number: 0938-0944); *Frequency:* Yearly; *Affected Public:* State, Local, or Tribal Governments; *Number of Respondents:* 555; *Total Annual Responses:* 4,995; *Total Annual Hours:* 149,850. (For policy questions regarding this collection contact Rachel Shevland at 410-786-3026.)

Dated: January 11, 2022.

William N. Parham, III,

Director, Paperwork Reduction Staff, Office of Strategic Operations and Regulatory Affairs.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Health Resources and Services Administration

Agency Information Collection Activities: Submission for OMB Review and Approval; Public Comment Request; Family-to-Family Health Information Center Feedback Surveys, OMB No. 0906-0040—Extension

AGENCY: Health Resources and Services Administration (HRSA), Department of Health and Human Services.

ACTION: Notice.

SUMMARY: In compliance with of the Paperwork Reduction Act of 1995, HRSA has submitted an Information Collection Request (ICR) to the Office of Management and Budget (OMB) for review and approval. Comments submitted during the first public review of this ICR will be provided to OMB. OMB will accept further comments from the public during the review and approval period. OMB may act on HRSA's ICR only after the 30-day comment period for this notice has closed.

DATES: Comments on this ICR should be received no later than February 14, 2022.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent
