

should address one or more of the following four points:

(1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of This Information Collection

(1) *Type of Information Collection Request:* Revision of a Currently Approved Collection.

(2) *Title of the Form/Collection:* Application for Permission to Reapply for Admission into the United States after Deportation or Removal.

(3) *Agency form number, if any, and the applicable component of the DHS sponsoring the collection:* I-212, e-SAFE; USCIS.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* *Primary:* Individuals or households. Sections 212(a)(9)(A) and 212(a)(9)(C) of the Immigration and Nationality Act (Act) render an alien inadmissible to the United States unless he or she obtains the consent to reapply (also known as permission to reapply) for admission to the United States. An alien who is inadmissible under these provisions has either been removed (deported, or excluded) from the United States, or illegally reentered after having been removed (deported, or excluded), or illegally reentered after having accrued more than one year of unlawful presence in the United States. The information collection required on an Application for Permission to Reapply for Admission into the United States After Deportation or Removal, Form I-212, is necessary for U.S. Citizenship and Immigration Services (USCIS) to determine whether the applicant is eligible to file the waiver. If the application is approved, the alien will be permitted to apply for admission to the United States, after being granted a visa with the Department of State (DOS)

as either an immigrant or a nonimmigrant.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* The estimated total number of respondents for the information collection I-212 is 6,800 and the estimated hour burden per response is 1.87 hours. The estimated total number of respondents for the information collection e-SAFE is 1,200 and the estimated hour burden per response is 2 hours. The estimated total number of respondents for the information collection Biometrics is 350 and the estimated hour burden per response is 1.17 hour.

(6) *An estimate of the total public burden (in hours) associated with the collection:* The total estimated annual hour burden associated with this collection is 15,503 hours.

(7) *An estimate of the total public burden (in cost) associated with the collection:* The estimated total annual cost burden associated with this collection of information is \$364,260.
