Further, Commerce is rescinding this review with respect to 34 of the 42 companies/company groupings under review. The POR is January 1, 2023, through December 31, 2023. Scope of the Order

The product covered by the *Order* is WBF, subject to certain exceptions. For a complete description of the scope of the *Order*, see Appendix I.

Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(B) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.213.

Shining Dongxing Furniture Co., Ltd.'s Letter, "No Shipment Letter and Response to Quantity and Value Questionnaire," dated April 2, 2024; Jiangmen Kinwai Furniture Decoration Co., Ltd.'s Letter, "No Shipment Letter for Jiangmen Kinwai Furniture Decoration Co., Ltd.," dated April 2, 2024; Jiangmen Kinwai International Furniture Co., Ltd.'s Letter, "No Shipment Letter for Jiangmen Kinwai International Furniture Co., Ltd.," dated April 2, 2024; and Nathan International Ltd. and Nathan Rattan Factory's Letter, "No Shipment Certification," dated April 4, 2024. We note that Shenzhen Jiafa High Grade Furniture Co., Ltd. (Shenzhen Jiafa) and Zhangzhou XMB Furniture Product Co., Ltd. (Zhangzhou XMB) submitted no shipment letters. However, the petitioners withdrew their review requests for these two companies. See Shenzhen Jiafa's Letter, "Certification of No Sales, Shipments, or Entries," April 4, 2024; see also Zhangzhou XMB's Letter, "No Shipment Certification and Response to Quantity and Value Questionnaire," dated April 4, 2024.

⁵ See Petitioners' Letter, "Partial Withdrawal Of Request For Administrative Review," dated June 3, 2024, "Partial Withdrawal Of Request For Administrative Review," dated May 29, 2024; and "Partial Withdrawal Of Request For Administrative Review," dated May 24, 2024; see also Maria Yee's Letter, "Maria Yee's Withdrawal of Request for Review," dated May 28, 2024.

⁶ See Memorandum, "Tolling of Deadlines for Antidumping and Countervailing Duty Proceedings," dated July 22, 2024.

⁷ See Memorandum, "Extension of Deadline for Preliminary Results of Antidumping Duty Administrative Review," dated October 8, 2024.

⁸ See Memorandum, "Tolling of Deadlines for Antidumping and Countervailing Duty Proceedings," dated December 9, 2024.

Additionally, given that the analysis underlying these preliminary results of review are contained herein, no decision memoranda accompany this **Federal Register** notice.

Partial Rescission of Administrative Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if a party that requested a review, withdraws its request within 90 days of the date of publication of the notice of initiation of the requested review in the **Federal Register**. Interested parties timely withdrew all review requests for 25 companies/company groupings for which Commerce initiated this review. Therefore, in accordance with 19 CFR 351.213(d)(1), Commerce is rescinding this review of the *Order* with respect to all the companies/company groupings listed in appendix II.

Pursuant to 19 CFR 351.212(a), “{g}enerally, the amount of duties to be assessed is determined in a review of the order covering a discrete period of time.” Thus, normally, upon completion of an administrative review, suspended entries of subject merchandise are liquidated at the antidumping duty assessment rate calculated for the review period.⁹ Therefore, in order to apply the final antidumping duty liability that was determined in an administrative review for a particular company, there must be at least one suspended entry of that company’s subject merchandise that Commerce can instruct U.S. Customs and Border Protection (CBP) to liquidate at the antidumping duty assessment rate calculated for the review period. Pursuant to 19 CFR 351.213(d)(3), Commerce may rescind an administrative review if it concludes that, during the period covered by the review, there were no entries, exports, or sales of the subject merchandise, as the case may be.¹⁰

Because the entry data that we obtained from U.S. Customs and Border Protection (CBP) showed no suspended entries of subject merchandise from the nine companies identified in Appendix III, on January 6, 2025, we notified parties of our intent to rescind this administrative review with respect to

those companies.¹¹ No one commented on our intent to rescind this review with respect to these companies. Therefore, in the absence of any suspended entries of subject merchandise during the POR from the companies listed in Appendix III, we are rescinding this administrative review with respect to these companies, in accordance with 19 CFR 351.213(d)(3).

Separate Rates

In the *Initiation Notice*, we informed parties that all firms for which a non-market economy (NME) review was initiated that wished to qualify for separate rate status must complete, as appropriate, either a separate rate application or a separate rate certification.¹² While Shenzhen New Fudu Furniture Co., Ltd. claimed that it “made no exports, sales, shipments, or entries of any subject merchandise . . . during the . . . period of review,”¹³ record evidence contradicts this claim, namely CBP entry data.¹⁴ Shenzhen New Fudu Furniture Co., Ltd. failed to comment on this evidence or provide a separate rate application or certification. Therefore, Commerce preliminarily determines that New Fudu Furniture Co., Ltd. failed to demonstrate that it qualifies for separate rate status, and thus is part of the China-wide entity.

Additionally, CBP entry data for the POR show no entries of subject merchandise from the following seven companies for which Commerce initiated this review and which do not have a separate rate: (1) Dorbest Ltd.; (2) Fine Furniture (Shanghai) Ltd.; (3) Rui Feng Lumber Development Co., Ltd.; (4) Rui Feng Woodwork Co., Ltd.; (5) Wanvog Furniture (Kunshan) Co., Ltd.; (6) Yeh Brothers World Trade Inc.; and (7) Zhongshan Fookyik Furniture Co., Ltd.

Because there were no entries of subject merchandise from these companies during the POR for Commerce to examine in this administrative review, and these companies did not have a separate rate, these companies remain in the China-wide entity.

Commerce’s policy regarding conditional review of the China-wide entity applies to this administrative

review.¹⁵ Under this policy, the China-wide entity will not be under review unless a party specifically requests, or Commerce self-initiates, a review of the entity. Because no party requested a review of the China-wide entity, the entity is not under review and the weighted-average dumping margin assigned to the China-wide entity is not subject to change as a result of this administrative review.

Disclosure

Normally, Commerce discloses to parties to the proceeding the calculations that it performed in connection with a preliminary results of review within five days of any public announcement or, if there is no public announcement, within five days of the date of publication of the notice of preliminary results of review in the **Federal Register**, in accordance with 19 CFR 351.224(b). However, because Commerce did not calculate any dumping margins in this review, there are no calculations to disclose.

Public Comment

Case briefs or other written comments may be submitted to the Assistant Secretary for Enforcement and Compliance. Pursuant to 19 CFR 351.309(c)(1)(ii), we have modified the deadline for interested parties to submit case briefs to Commerce to no later than 21 days after the date of the publication of this notice.¹⁶ Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than five days after the date for filing case briefs.¹⁷ Interested parties who submit case briefs or rebuttal briefs in this review must submit: (1) a table of contents listing each issue; and (2) a table of authorities.¹⁸

As provided under 19 CFR 351.309(c)(2) and (d)(2), in prior proceedings we have encouraged interested parties to provide an executive summary of their brief that should be limited to five pages total, including footnotes. In this review, we instead request that interested parties provide at the beginning of their briefs a public, executive summary for each

issue raised in their briefs.¹⁹ Further, we request that interested parties limit their executive summary of each issue to no more than 450 words, not including citations. We intend to use the executive summaries as the basis of the comment summaries included in the issues and decision memorandum that will accompany the final results in this administrative review. We request that interested parties include footnotes for relevant citations in the executive summary of each issue. Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).²⁰

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS. Requests should contain: (1) the requesting party's name, address, and telephone number; (2) the number of individuals associated with the requesting party that will attend the hearing and whether any of those individuals is a foreign national; and (3) a list of the issues the party intends to discuss at the hearing. Issues raised in the hearing will be limited to those raised in the respective case briefs. If a request for a hearing is made, Commerce intends to hold the hearing at a date and time to be determined. An electronically filed hearing request must be received successfully in its entirety by Commerce's electronic records system, ACCESS, by 5 p.m. Eastern Time within 30 days after the date of publication of this notice in the **Federal Register**.

Assessment Rate

Commerce will determine, and CBP shall assess, antidumping duties on all appropriate entries of subject merchandise covered by this review.²¹ We will instruct CBP to liquidate POR entries of subject merchandise exported by the companies/company groupings for which we rescinded the review at the cash deposit rate required at the time of entry or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). We will issue this instruction to CBP no earlier than 35 days after the date of publication of this notice in the **Federal Register**.

If we do not alter these preliminary results of review, we intend to instruct CBP to liquidate entries of subject merchandise exported by the companies

that failed to qualify for a separate rate at the China-wide entity rate. We will issue this instruction to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**.

If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

The following cash deposit requirements for estimated antidumping duties will be effective for all shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the notice of the final results of this administrative review in the **Federal Register** as provided by section 751(a)(2)(C) of the Act: (1) for any previously investigated or reviewed China or non-China exporter that has a separate rate, the cash deposit rate will continue to be the exporter's existing cash deposit rate; (2) for all China exporters of subject merchandise that do not have a separate rate, including those exporters that failed to establish their separate rate eligibility in this review, the cash deposit rate will be equal to the dumping margin assigned to the China-wide entity, which is 216.01 percent; and (3) for all non-China exporters of subject merchandise that do not have a separate rate, the cash deposit rate will be equal to the dumping margin applicable to the China exporter(s) that supplied that non-China exporter. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Final Results of Review

Unless otherwise extended, Commerce intends to issue the final results of this administrative review, which will include the results of its analysis of issues raised in case and rebuttal briefs, within 120 days of publication of these preliminary results of review in the **Federal Register**, pursuant to section 751(a)(3)(A) of the Act.

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's

presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

We are issuing and publishing these preliminary results of review in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213(h)(2) and 351.221(b)(4).

Dated: May 7, 2025.

SUPPLEMENTARY INFORMATION:

Background

On August 13, 2024, Commerce published in the **Federal Register** the *Preliminary Results* of the 2022-2023 administrative review of the antidumping duty order on PET film from Taiwan.¹ We verified the sales information submitted by Nan Ya Plastics Corporation (Nan Ya) in October 2024.² On November 1, 2024, we released our verification report regarding the sales information of Nan Ya.³ We invited interested parties to submit case and rebuttal briefs;⁴ however, no interested party submitted case or rebuttal briefs. On December 6, 2024, Commerce extended the deadline for these final results to February 7, 2025.⁵ On December 9, 2025, Commerce tolled the deadline for these final results by 90 days.⁶ Accordingly, the deadline for these final results is now due May 8, 2025. Because no interested party submitted comments, the final results of this review remain unchanged from the *Preliminary Results* and no Issues and Decision Memorandum accompanies this notice.

Scope of the Order⁷

The merchandise subject to the *Order* is PET film. For a full description of the scope, see the Preliminary Decision Memorandum.

¹ See *Polyethylene Terephthalate Film, Sheet, and Strip from Taiwan: Preliminary Results of Antidumping Duty Administrative Review and Preliminary Rescission of Review; 2022-2023*, 89 FR 65863 (August 13, 2024) (*Preliminary Results*), and accompanying Preliminary Decision Memorandum (PDM).

⁵ See Memorandum, "Extension of Deadline for Final Results of Antidumping Duty Administrative Review," dated December 6, 2024.

⁶ See Memorandum, "Tolling of Deadlines for Antidumping and Countervailing Duty Proceedings," dated December 9, 2024.

⁷ See *Notice of Amended Final Antidumping Duty Determination of Sales at Less Than Fair Value and Antidumping Duty Order: Polyethylene Terephthalate Film, Sheet, and Strip (PET Film) from Taiwan*, 67 FR 44174 (July 1, 2002) (*Order*).

Final Determination of No Shipments

In the *Preliminary Results*, Commerce determined that Shinkong Materials Technology Corporation (SMTC)/ Shinkong Synthetic Fibers Corporation (SSFC) (collectively, SMTC/SSFC)⁸ had no shipments of PET film during the POR, based on U.S. Customs and Border Protection (CBP) entry data for U.S. imports of PET film from Taiwan during the POR.⁹ We received no comments from interested parties on our preliminary finding. As there is no information on the record that calls into question the findings in the *Preliminary Results*, we continue to find in the final results of this review that SMTC/SSFC had no shipments of subject merchandise during the POR.

Changes Since the Preliminary Results¹⁰

- We used the revised home market database incorporating the minor corrections accepted at verification.
- We used the revised U.S. sales database incorporating the minor corrections accepted at verification.
- We added language to include document courier fees and customs random check charges in our direct selling expenses which were originally not captured from the U.S. sales database.

Final Results of Review

In the *Preliminary Results*, we determined that Nan Ya did not make sales of subject merchandise at less than NV during the POR. As noted above, Commerce received no comments concerning the *Preliminary Results*. Therefore, for these final results, we continue to determine the final weighted-average dumping margin for the period July 1, 2022, through June 30, 2023, for Nan Ya is as follows:

⁸ In the 2011-2012 administrative review, we treated SMTC and SSFC as a single entity. See *Polyethylene Terephthalate Film, Sheet, and Strip from Taiwan: Preliminary Results of Antidumping Duty Administrative Review; 2011-2012*, 78 FR 48651 (August 9, 2013), and accompanying PDM, unchanged in *Polyethylene Terephthalate Film, Sheet, and Strip from Taiwan: Final Results of Antidumping Duty Administrative Review; 2011-2012*, 79 FR 11407 (February 28, 2014). We have treated SMTC and SSFC as a single entity in all subsequent reviews. There is no information on the record of this administrative review that would lead Commerce to reconsider that determination. Accordingly, we continue to treat SMTC and SSFC as a single entity for purposes of this administrative review.

⁹ See Memorandum, "Release of U.S. Customs Entry Data for Respondent Selection; 2022-2023," dated October 6, 2023.
