

will include the results of its analysis of issues raised in any such comments, within 120 days of publication of the preliminary results.

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

This administrative review and notice are in accordance with sections 751(a)(1) and 777(I)(1) of the Act.

Dated: March 31, 2005.

Joseph A. Spetrini,

Acting Assistant Secretary for Import Administration.

Notice of Correction to the Amended Final Determination in Accordance With Court Decision in the Antidumping Duty Investigation of Stainless Steel Sheet and Strip in Coils From Taiwan

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* April 7, 2005.

FOR FURTHER INFORMATION CONTACT: Robert Bolling, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-3434.

SUMMARY: On November 17, 2004, the Department of Commerce ("Department") published an *Amended Final Determination in Accordance with Court Decision of the Antidumping Duty Investigation of Stainless Steel Sheet and Strip in Coils From Taiwan*, 69 FR 67311 (November 17, 2004) ("*Amended Final Determination*"). In the *Amended Final Determination*, the Department announced the incorrect effective date of the exclusion from the antidumping duty order on stainless steel sheet and strip in coils from Taiwan with respect to entries from Tung Mung

Development Corporation ("Tung Mung").

SUPPLEMENTARY INFORMATION:

Background

On June 8, 1999, the Department published the *Final Determination of Sales at Less than Fair Value: Stainless Steel Sheet and Strip in Coils From Taiwan*, 64 FR 30592 (June 8, 1999) ("*Final Determination*"), covering the period of investigation ("POI") of April 1, 1997, through March 31, 1998. This investigation involved three Taiwanese producers/exporters, Tung Mung, Yieh United Steel Corporation ("YUSCO"), Chang Mien Industries Co., Ltd. ("Chang Mien"), and a Taiwanese middleman, Ta Chen Stainless Pipe Company Ltd. ("Ta Chen"). Tung Mung and YUSCO contested various aspects of the *Final Determination*. On July 3, 2001, the Court of International Trade ("CIT") issued slip opinion 01-83 in *Tung Mung Development Co., Ltd. v. United States*, Consol. Court No. 99-06-00457 (CIT July 3, 2001) ("*Tung Mung I*") and remanded the *Final Determination* to the Department. In the March 21, 2001, remand determination, the Department found, among other issues, that the merchandise produced and exported by Tung Mung had not been sold at less than fair value during the POI. On August 22, 2002, the CIT found that the Department's remand determination was in accordance with the law. *See Tung Mung Development Co., Ltd. v. U.S.*, 219 F.Supp.2d 1333 (CIT August 22, 2002) ("*Tung Mung II*").

Domestic producers appealed this decision. On January 15, 2004, the Court of Appeals for the Federal Circuit ruled that the Department's decision to calculate middleman antidumping rates using combination rates was not arbitrary and capricious and affirmed the CIT's affirmance of the Department's redetermination. *See Tung Mung Development Co., Ltd. v. U.S.*, 354 F.3d 1371 (Fed.Cir. January 15, 2004) ("*Tung Mung III*"). *Tung Mung II*, and the Department's *Final Results of Redetermination Pursuant to Court Remand* in response to *Tung Mung I*.

On November 17, 2004, the Department published the *Amended Final Determination* in which it stated that it will instruct U.S. Customs and Border Protection ("CBP") to liquidate entries from Tung Mung without regard to antidumping duties because Tung Mung is excluded from the antidumping duty order effective October 16, 2002, the date on which the Department published a notice of the Court decision (see *Stainless Steel Sheet and Strip in Coils from Taiwan: Notice of Court*

Decision, 67 FR 63887 (October 16, 2002)). The above instructions should have read that the Department will instruct CBP to liquidate entries from Tung Mung without regard to antidumping duties effective June 8, 1999, the date on which the Department published its *Final Determination*, because liquidation of entries from Tung Mung was first suspended on that date and remained covered by an injunction during the pendency of the litigation. Thus, we will instruct CBP to liquidate entries from Tung Mung without any regard to antidumping duties effective June 8, 1999.

This notice is issued and published in accordance with section 735(d) of Tariff Act of 1930, as amended.

Dated: March 30, 2005.

Joseph A. Spetrini,

Acting Assistant Secretary for Import Administration.

National Oceanic and Atmospheric Administration

[I.D. 040105C]

Fisheries of the Caribbean, Gulf of Mexico, and South Atlantic; Extension of the Gulf of Mexico Charter Vessel/Headboat Permit Moratorium

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice of intent; request for comments.

SUMMARY: The Gulf of Mexico Fishery Management Council (Council) and NMFS intend to prepare a draft supplemental environmental impact statement (DSEIS) in support of a proposed Amendment to Extend the Charter Vessel/Headboat Permit Moratorium (Moratorium Amendment). The DSEIS will evaluate alternatives for allowing the permit moratorium to expire, extending the moratorium for a finite time period, or establishing a permanent limited access program. The purpose of this notice of intent is to solicit public comments on the range of alternatives and scope of issues to be addressed in the DSEIS.

DATES: Written comments on the scope of the DSEIS must be received by 5 p.m. May 9, 2005.

ADDRESSES: You may submit comments on the scope of the DSEIS by any of the following methods:
