### Coast Guard

#### 33 CFR Part 100

[Docket Number USCG-2022-0171]

RIN 1625-AA08

#### Special Local Regulation; Tampa Bay, St. Petersburg, FL

AGENCY: Coast Guard, DHS.

ACTION: Final rule.

**SUMMARY:** The Coast Guard is revising the existing special local regulations within the Seventh Coast Guard District Captain of the Port (COTP) St. Petersburg Zone by removing an event that no longer takes place, and by updating the location of an existing event. These changes are being made because one event sponsor halted the event for the foreseeable future, and the other changed the event details.

**DATES:** This final rule is effective July 1, 2022.

**ADDRESSES:** To view documents mentioned in this preamble as being available in the docket, go to <https://www.regulations.gov>, type USCG-2022-0171 in the search box and click "Search." Next, in the Document Type column, select "Supporting & Related Material."

**FOR FURTHER INFORMATION CONTACT:** If you have questions on this rule, call or email Marine Science Technician Second Class Regina L. Cuevas, Sector St. Petersburg Prevention Department, Coast Guard; telephone (813) 228-2191, email [Regina.L.Cuevas@uscg.mil](mailto:Regina.L.Cuevas@uscg.mil).

#### SUPPLEMENTARY INFORMATION:

##### I. Table of Abbreviations

CFR Code of Federal Regulations  
DHS Department of Homeland Security  
FR Federal Register  
NPRM Notice of proposed rulemaking  
§ Section  
U.S.C. United States Code

##### II. Background Information and Regulatory History

On March 29, 2022, the Coast Guard published a notice of proposed rulemaking (NPRM) in the **Federal Register** titled, "Special Local Regulations; Recurring Marine Events,

Sector St. Petersburg." <sup>1</sup> In the NPRM we stated the purpose of the rulemaking was to remove one existing recurring marine event that is no longer held and to change the location and date of an existing recurring marine event within the Seventh Coast Guard District Captain of the Port (COTP) St. Petersburg Zone that are listed in 33 CFR 100.703, Table 1 to § 100.703. With the postponement of one event for the foreseeable future, and the change in date and location of another, the changes proposed in the NPRM were necessary to ensure that Table 1 to § 100.703 accurately reflected the events taking place within the COTP St. Petersburg Zone, and in the order the events occur. The NPRM invited comments on the proposed changes to Table 1 to § 100.703. During the comment period that ended April 28, 2022, we received no comments.

##### III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70041. The COTP St. Petersburg has determined it necessary to revise the existing regulations in order to avoid confusion regarding the special local regulations (SLR) in the COTP St. Petersburg Zone.

##### IV. Discussion of Comments, Changes, and the Rule

As noted above, we received no comments on our NPRM published April 1, 2022.

This rule makes the following changes in 33 CFR 100.703:

1. Move the event listed in Table 1 to § 100.703, Line No. 5, "Sarasota Powerboat Grand Prix/Powerboat P-1 USA, LLC to Line No. 4. We are not making any other changes to this event.

2. Move Table 1 to § 100.703, Line No. 4, to Line No. 5, and revise the event to reflect a name change, course location, and date and time for the event.

3. Delete the event listed in Table 1 to § 100.703, Line No. 6, "Battle of the Bridges/Sarasota Scullers Youth Rowing Program."

Marine events listed in Table 1 to § 100.703 are listed as recurring over a particular time, during each month and each year. Exact dates are intentionally omitted since calendar dates for specific events change from year to year. Once dates for a marine event are known, the Coast Guard notifies the public it intends to enforce the special local regulation through various means including a notice of enforcement published in the **Federal Register**, Local

Notice to Mariners, and Broadcast Notice to Mariners.

##### V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

##### A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. This rule has not been designated a "significant regulatory action," under Executive Order 12866. Accordingly, this rule has not been reviewed by the Office of Management and Budget (OMB).

This regulatory action determination is based on the size, location, and duration of the special local regulations. These areas are limited in size and duration, and usually do not affect high vessel traffic areas. Moreover, the Coast Guard will provide advance notice of the regulated areas to the local maritime community via Notice of Enforcement published in the **Federal Register**, by Local Notice to Mariners, Broadcast to Mariners via VHF-FM marine channel 16, and the rule will allow vessels to seek permission to enter the regulated area.

##### B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601-612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard received 0 comments from the Small Business Administration on this rulemaking. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the safety zone may be small entities, for the reasons stated in section V.A above, this rule will not have a significant economic impact on any vessel owner or operator.

Under section 213(a) of the Small Business Regulatory Enforcement

<sup>1</sup> 87 FR 17957.

Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please call or email the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

#### *C. Collection of Information*

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

#### *D. Federalism and Indian Tribal Governments*

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the National Government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and have determined that it is consistent

with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175 (Consultation and Coordination with Indian Tribal Governments) because it would not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

#### *E. Unfunded Mandates Reform Act*

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

#### *F. Environment*

We have analyzed this rule under Department of Homeland Security Directive 023–01, Rev. 1, associated implementing instructions, and Environmental Planning COMDTINST 5090.1 (series), which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves removing one event from the list of recurring marine events in the COTP St.

Petersburg Zone, and revising an existing recurring event to reflect a name change, course location, and date and time for the event. Normally such actions are categorically excluded from further review under paragraphs L61 in Table 3–1 of Appendix A, Table 1 of DHS Instruction Manual 023–01–001–01, Rev. 1, because it involves a revised special local regulation related to a marine event permit for marine parades, regattas, and other marine events.

#### *G. Protest Activities*

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to call or email the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

#### **List of Subjects in 33 CFR Part 100**

Harbors, Marine Safety, Navigation (water), Reporting and Record keeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 100 as follows:

#### **PART 100—SAFETY OF LIFE ON NAVIGABLE WATERS**

■ 1. The authority citation for Part 100 continues to read as follows:

**Authority:** 46 U.S.C. 70041; 33 CFR 1.05–1.

■ 2. In § 100.703, revise Table 1 to read as follows:

#### **§ 100.703 Special Local Regulations; Recurring Marine Events, Sector St. Petersburg.**
