EXPORT-IMPORT BANK

[Public Notice 2015–3009]

Agency Information Collection Activities: Comment Request

AGENCY: Export-Import Bank of the United States

ACTION: Submission for OMB review and comments request.

Form Title: EIB 10–02 Application for Short-Term Express Credit Insurance Policy.

SUMMARY: The Export-Import Banks of the United States (Ex-Im Bank), as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal Agencies to comment on the proposed information collection, as required by the Paperwork Reduction Act of 1995.

This collection of information is necessary, pursuant to 12 U.S.C. Sec. 635 (a) (1), to determine eligibility of the applicant for Ex-Im Bank assistance.

The Export-Import Bank has made a change to the report to have the applicant provide the number of employees or annual sales volume. That information is needed to determine whether or not they meet the SBA's definition of a small business. The applicant already provides their name, address and industry code (NAICS). These additional pieces of information will allow Ex-Im Bank to better track the extent to which its support assists U.S. small businesses.

The other change that Ex-Im Bank has made is to require the applicant to indicate whether it is a minority-owned business, women-owned business and/or veteran-owned business. Although answers to the questions are mandatory, the company may choose any one of the three answers: Yes/No/Decline to Answer. The option of ''Decline to Answer'' allows a company to consciously decline to answer the specific question should they not wish to provide that information.

The application tool can be reviewed at: *http://www.exim.gov/sites/default/files/pub/pending/eib10_02.pdf.*

DATES: Comments must be received on or before January 8, 2016, 2016 to be assured of consideration.

ADDRESSES: Comments may be submitted electronically on *WWW.REGULATIONS.GOV* or by mail to Office of Information and Regulatory Affairs, 725 17th Street NW., Washington, DC 20038, Attn: OMB 3048–0031.

SUMMARY: The Export-Import Bank of the United States (Ex-Im Bank), as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal Agencies to comment on the proposed information collection, as required by the Paperwork Reduction Act of 1995.

This collection of information is necessary, pursuant to 12 U.S.C. Sec. 635(a)(1), to determine eligibility of the export sales for insurance coverage. The Report of Premiums Payable for Financial Institutions Only is used to determine the eligibility of the shipment(s) and to calculate the premium due to Ex-Im Bank for its support of the shipment(s) under its insurance program. Export-Import Bank customers will be able to submit this form on paper or electronically.

The Export-Import Bank has made a change to the report to have the insured financial institution provide the industry code (NAICS) associated with each specific export as well as specific information needed to make a determination as to whether or not the exporter meets the SBA's definition of a small business. The insured financial institution already provides a short description of the goods and/or services being exported and the name and address of the exporter. These additional pieces of information will allow Ex-Im Bank to better track what exports it is covering with its insurance policy and the extent to which its support assists U.S. small businesses.
