

Incorporation by Reference

Class E airspace is published in paragraph 6005 of FAA Order JO 7400.11, Airspace Designations and Reporting Points, which is incorporated by reference in 14 CFR 71.1 on an annual basis. This document proposes to amend the current version of that order, FAA Order JO 7400.11H, dated August 11, 2023, and effective September 15, 2023. These updates would be published subsequently in the next update to FAA Order JO 7400.11. That order is publicly available as listed in the **ADDRESSES** section of this document.

FAA Order JO 7400.11H lists Class A, B, C, D, and E airspace areas, air traffic service routes, and reporting points.

The Proposal

The FAA is proposing to amend 14 CFR part 71 by establishing Class E airspace extending upward from 700 feet above the surface to within a 7.2-mile radius of Ashley Municipal Airport, Ashley, ND.

The FAA is proposing this action due to the development of new public instrument procedures at this airport and to support IFR operations.

Regulatory Notices and Analyses

The FAA has determined that this proposed regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current. It, therefore: (1) is not a “significant regulatory action” under Executive Order 12866; (2) is not a “significant rule” under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a regulatory evaluation as the anticipated impact is so minimal. Since this is a routine matter that will only affect air traffic procedures and air navigation, it is certified that this proposed rule, when promulgated, will not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

Environmental Review

This proposal will be subject to an environmental analysis in accordance with FAA Order 1050.1F, “Environmental Impacts: Policies and Procedures” prior to any FAA final regulatory action.

SUPPLEMENTARY INFORMATION:

I. Background

On May 29, 2024, HUD published in the **Federal Register** a proposed rule entitled “HOME Investment Partnerships Program: Program Updates and Streamlining” (the HOME Program proposed rule), available at 89 FR 46618. To provide interested persons additional opportunity to learn about and comment on the HOME Program proposed rule, HUD is hosting three, two-part virtual public listening sessions that will focus on the HOME Program proposed rule. Each set of the

virtual public listening sessions will be hosted via a video conferencing platform at the times detailed in the **DATES** section of this document. At the beginning of each virtual public listening session, HUD will deliver a summarized presentation of the details of the HOME Program proposed rule and then open the session up for verbal comment from attendees.

HUD's presentation delivered during each set of the virtual public listening sessions will detail the same information, so interested members of the public need only attend a single set of the listening sessions. Each virtual public listening session set will be delivered in two parts, with each part lasting one hour. The first part of each virtual public listening session (Part 1) will address the topics of community housing development organizations, maximum subsidy amounts, green building incentives, homebuyer housing, and community land trusts. The second part of each virtual public listening session (Part 2) will address the topics of rental housing, tenant-based rental assistance, and tenant protections.

II. Meeting Participation and Attendance

The virtual public listening sessions are open to the public. HUD encourages all interested parties to attend one set of a virtual public listening session. Attendees who provide verbal comments at a virtual public listening session will be limited to two minutes to provide their comment. Closed captioning will be available during all virtual public listening sessions.

III. Registration

To attend one of the virtual public listening session sets, interested persons should register for their preferred session(s) in advance at:

Part 1 Listening Sessions

Session 1: <https://www.zoomgov.com/meeting/register/vJlTce2pqT8sHYHOqpLUlSOqfEuaCDAWaXM>

Session 2: <https://www.zoomgov.com/meeting/register/vJlTsf-6opjkoGrLQXKYbsVlnhpcUypvKxoc>

Session 3: https://www.zoomgov.com/meeting/register/vJlTf-mqqT4jEzuCRwXoBMA-_LjyvcCnqtE

After submitting the registration form, you will receive a registration confirmation with the meeting link and passcode needed to attend the selected virtual public listening session. The total number of attendees at each of the virtual public listening sessions will be limited to the maximum allowed by the video conferencing platform used.

IV. Public Comments

Attendees at each of the virtual public listening sessions will be invited to provide verbal comments regarding the HOME Program proposed rule; however, to ensure full and proper consideration of public comments, interested persons must submit their public comments as directed in the **ADDRESSES** section of the HOME Program proposed rule.

Maria Claudette Fernandez,

General Deputy Assistant Secretary for Community Planning and Development.

POSTAL SERVICE

39 CFR Part 111

Securing Bundles of Flats

AGENCY: Postal Service™.

ACTION: Proposed rule.

SUMMARY: The Postal Service is proposing to amend *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®) to modify the requirements for securing bundles of flats.

DATES: Submit comments on or before July 15, 2024.

ADDRESSES: Mail or deliver written comments to the Director, Product Classification, U.S. Postal Service, 475 L'Enfant Plaza SW, Room 4446, Washington, DC 20260–5015. If sending comments by email, include the name and address of the commenter and send to PCFederalRegister@usps.gov, with a subject line of “Securing Bundles of Flats.” Faxed comments are not accepted.

You may inspect and photocopy all written comments, by appointment only, at USPS® Headquarters Library, 475 L'Enfant Plaza SW, 11th Floor North, Washington, DC 20260. These records are available for review on Monday through Friday, 9 a.m.–4 p.m., by calling 202–268–2906.

FOR FURTHER INFORMATION CONTACT: Dale Kennedy at (202) 268–6592 or Doriane Harley at (202) 268–2537.

SUPPLEMENTARY INFORMATION: All submitted comments and attachments are part of the public record and subject to disclosure. Do not enclose any material in your comments that you consider to be confidential or inappropriate for public disclosure.

Currently, the standards in DMM section 203.4.5 require bundles of flats to be secured with banding, shrinkwrap, or shrinkwrap plus one or more bands. Additionally, it allows the use of rubber bands and twine/string as banding materials on bundles of flats.

The Postal Service is proposing to amend the standards in DMM section 203.4.4 to include an exemption for mailings of 500 flat-sized pieces or fewer entered at the BMEU from bundle preparation. Applicable mailings may be prepared loose in flat trays instead of in bundles. The Postal Service is also proposing to amend the standards in sections 203.4.5, 203.4.8, and 203.4.9 to require all bundles of flats to have two or more cross-strapped bands or be shrink-wrapped with two or more cross-strapped bands and to eliminate the use of rubber bands and twine/string for securing bundles of flats. Additionally, section 245.9.5(d) would be amended to reflect that shrink-wrapped multi carrier route bundles require two or more cross-strapped bands.

The Postal Service is proposing to implement this change effective August 18, 2024.

We believe that the proposed revisions will enable the Postal Service to process bundled flats in a more efficient manner.

Although exempt from the notice and comment requirements of the Administrative Procedure Act (5 U.S.C. 553(b), (c)) regarding proposed rulemaking by 39 U.S.C. 410(a), the Postal Service invites public comment on the proposed revisions to *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM), incorporated by reference in the Code of Federal Regulations.

We will publish an appropriate amendment to 39 CFR part 111 to reflect these changes if our proposal is adopted.
